

Romeo & Juliet Study Guide
"Act 3"

Scene I

1. Romeo encounters Benvolio and Mercutio outside Capulet's garden. What does he do when he hears them?
He hides from them (although not directed in the script, it is obvious by the dialogue that they cannot find him.)
2. What do they think his problem is?
They think he is still pining over Rosaline.
3. Why do they decide to leave without Romeo?
Benvolio says there is no point in looking for him if he doesn't want to be found.

Scene II

4. Why is Juliet surprised to see Romeo outside her balcony?
It's the middle of the night, and she doesn't know how he got over the orchard walls.
5. Why does she worry about him being there?
He's a Montague, and it's very dangerous of him to be there. They could kill him.
6. How is Juliet's first speech an example of dramatic irony?
Dramatic irony – when the audience knows something that one of the characters does not. Juliet does not know that Romeo is listening to her, but we do.
7. After Romeo and Juliet vow their love for one another, what do they decide to do and when?
Send messengers to communicate and tell if they are getting married or not. They will meet at 8:00 the next morning.

Scene III

8. This scene opens with Friar Lawrence collecting herbs and discussing the properties of the herbs and how they may be used. What does this foreshadow?
That his knowledge may be used in the future – he may be called upon for his knowledge of what plants can do.
