**Theodore Roosevelt** Frederick E. Drinker, Jay Henry Mowbray, 1919 He would not have liked it perhaps that one call him a pedagogue and yet in the passing of the great man Theodore Roosevelt on January 6 1919 America lost one of her foremost teachers Sturdy Americanism was his major subject and he taught it with a vigor and enthusiasm which left its mark upon the nation No brick walls limited the sphere of his influence The breadth of the land was his classroom and his students were of the millions everywhere who found their lessons in his daily life For perhaps more than any other public man of his day Theodore Roosevelt with the courage of his convictions practiced what he preached Introduction

Theodore Roosevelt on Hunting Lamar Underwood, 2019-04-01 Besides being one of our greatest presidents Roosevelt stands alone as a conservationist a visionary when it came to the protection and preservation of America's natural resources and an author Library Journal There have been few hunters as daring as powerful and as articulate as our twenty sixth president Theodore Roosevelt From his ranching years in the Dakota Territory to the famous African adventures Roosevelt's tales are unparalleled stories of the hunt The best of them are collected here Of Roosevelt's many volumes of hunting and exploration two reader favorites have always been Ranch Life and the Hunting Trail and African Game Trails both excerpted here During his ranching years Roosevelt ranged far and wide and his African trips were also famously bold In all his expeditions Roosevelt reveals in detail hunts that were incredible journeys of both pursuit and discovery for wherever he went in the outdoors he assumed the dual roles of hunter and naturalist The hunts range from upland birds and waterfowl to prized big game animals like elk bear and sheep amid lofty peaks There are goat pursuits among ice glazed mountain spires and close encounters with grizzlies in the black timber He survives lion charges and buffalo attacks and stumbles on elephants
