*By: Rafaqat Rahman, VII, Sunflower*

Treasure Island is an 1883 novel written by Robert Louis Stevenson. It is largely responsible for the proliferation of media about pirates in the years that followed. The story is about a young boy named Jim Hawkins who goes on a dangerous adventure to recover buried treasure. Along the way, he encounters mutinous pirates, marooned castaways, frightening tales of ghosts, and much more. Treasure Island is a coming-of-age story about adventure, friendship, and redemption that has captivated audiences since it was first published.

Though in this book most people would favor Jim Hawkins, my favorite character of this story is Dr. Livesey. I am very fond of his rationality and kindness as he treated the wounded pirates like they were his own men. I also like how Livesey represents the steady, modest virtues of everyday life rather than fantasy, dream, or adventure, bringing some sort of realism into the story.

Besides the characters, especially Dr. Livesey, I really liked some other aspects of this book. The story was entertaining and it kept me gripped onto the book until I finished. The entire book was mystery-filled and my favorite moment of all was near the ending where Jim and Long John's crews made amends and shared the treasure and returned home.

But this book has aspects which I dislike too. I really disliked Captain Smollett who was very savvy, but what I disliked the most was his rudeness towards Jim. Another thing I disliked was how the book had too much suspense and was made unnecessarily long.
