High School Expository Essay: The Importance of Environmental Conservation

Introduction

- **Hook:** Picture a world where forests are lush, oceans are clean, and wildlife thrives. Now imagine the opposite – a world suffocated by pollution and devoid of natural beauty.
- **Background Information:** Environmental conservation has become a crucial topic in today's world, as human activities continue to impact the Earth's natural ecosystems.
- **Thesis Statement:** This essay explores the importance of environmental conservation, its benefits, the current challenges, and ways individuals can contribute to this global effort.

Body Paragraph 1: Benefits of Environmental Conservation

- **Topic Sentence:** Environmental conservation offers numerous benefits, crucial for the health of our planet and its inhabitants.
- **Supporting Detail 1:** Preserving natural habitats ensures biodiversity, maintaining the balance of ecosystems.
- **Supporting Detail 2:** Conservation efforts help combat climate change by preserving carbon sinks like forests and oceans.
- **Concluding Sentence:** Thus, conservation is vital for sustaining the planet's health and diversity.

Body Paragraph 2: Current Challenges in Conservation

- **Topic Sentence:** Despite its importance, environmental conservation faces several significant challenges.
- **Supporting Detail 1:** Pollution, deforestation, and climate change are continuously degrading the environment.
- **Supporting Detail 2:** Lack of awareness and political will often hinder effective conservation measures.
- **Concluding Sentence:** Addressing these challenges is imperative to ensure the effectiveness of conservation efforts.

Body Paragraph 3: Individual Contributions to Conservation

- **Topic Sentence:** Individual actions play a crucial role in supporting environmental conservation.

De Oliveira,Tony Silva,2013 Second language writers and the teaching of writing at the secondary level have received little attention compared with other skills such as reading Addressing this gap this volume uniquely looks at both adolescent L2 writing and the preparation of secondary teachers to work with this population of students Part I on adolescent L2 writers includes case studies looking at their literacy identities their trajectories in mainstream content area classes and their transition from high school to college Part II looks at academic issues The focus in Part III is L2 writing teacher education Taking a theoretically eclectic approach that can support a variety of pedagogies this book contributes significantly to understanding adolescent second language writers and to educating teachers to address these students specific needs

Handbook of Response to Intervention and Multi-Tiered Systems of Support Paige C. Pullen,Michael J. Kennedy,2018-10-04 Of the many issues facing special education and general education today it is difficult to imagine one more important or timely than response to intervention RTI Almost overnight RTI has become standard practice across the nation Unfortunately RTI remains ill defined falls far short of its evidence based practice goal is almost invariably misused and often results in more harm than good Nevertheless as a conceptual framework RTI has great potential for ensuring that students with disabilities receive appropriate evidence based instruction The mission of this handbook is to present a comprehensive and integrated discussion of response to intervention RTI and its relation to multi tiered systems of support MTSS in both special education and general education Although the two terms are currently used interchangeably distinct

differences exist between them Therefore chapters are dedicated to distinguishing the two concepts RTI and MTSS and describing each one s unique role in both general and special education In addition the authors recommend a third term Multi Tiered Instruction to differentiate the practices related to the purpose of the specific intervention

Linguistics and Language Behavior Abstracts ,1997 **Thesaurus of ERIC Descriptors** ,1990 4th 7th eds contain a special chapter on The role and function of the thesaurus in education by Frederick Goodman *Choosing Students* Wayne Camara,Ernest W. Kimmel,2005-03-23 This volume brings a variety of perspectives to bear on the issue of how higher education institutions can or should choose students during the early part of the 21st century Many of the contributors report on research to develop and validate potential tools to assist those responsible for admission decisions Other contributors however pose broader questions about the nature of selective admissions about institutional responses to the changing demography of those seeking to enter higher education or about the appropriate criteria of success in higher education The volume is particularly timely because the question of how changes in admission tools and processes will affect campus diversity following the recent Supreme Court decision concerning the University of Michigan Diversity is an important concern of all of the contributors and the chapter by Lee Bollinger President at Michigan at the time the court cases were filed is particularly relevant This book brings together the research that underlies a variety of proposed approaches to improving the selection of students Providing support for the integrity of the admissions process and the validity of new tools to help a higher education institution to select a diverse student body this book explores the implications of the assessment component of K 12 school reform for higher education admissions practices The diverse contributions to this volume reflect the current ferment in educational research and educational practice as institutions of higher education seek to develop a new admissions paradigm for coming decades following the University of Michigan decisions This book is intended for those leaders and professionals who set admission policies and practices in American colleges and graduate and professional schools as well as for those scholars and scientists who research develop and validate tools for use in the process of choosing students in ways that are congruent with an institution s mission values and goals
