The Nervous System!

Directions: People come in all shapes and sizes, but there are also many traits that we share. These traits make us human. For example, we are all born with a nervous system that includes a brain, spinal cord and nerves. While the brain is boss, all three work together to control your body. Label and color the picture below based on the information from today's class.

WORD BANK & COLOR GUIDE

Spinal Cord- I work for the brain. I carry messages to and from the smaller nerves.  *Orange*

Brain- I am the boss of your body. I receive messages about the environment from the spinal cord and nerves. I tell your body parts what to do!  *Red*

Nerves- We are helpers that can be found all over your body! Our job is to pass messages about the environment to your spinal cord and brain!  *Blue*
