Self Improvement Guide By Farrakhan:

Educational Leadership and Louis Farrakhan Abul Pitre, 2017-02-08 Drawing from Louis Farrakhan's decades of teaching on education and leadership this volume brings his ideas into the educational leadership discourse. It explores through a critical framework the purpose of education disclosing how those in powerful positions have shaped educational policy to use schools and universities for their benefit. The book inspires educational leaders to serve the best interest of those under their leadership. In a spiritual tone it discusses the purpose of education leadership as love servant leadership, transformative leadership and futuristic leadership. In the 21st century leadership for social justice has become a major theme and in this volume Louis Farrakhan's many years of working for equal justice on behalf of historically underserved groups is applied to the practice of educational leadership in K 12 and higher education. **Islamic Impostors** Poray Sr Casimier, 2004-07

Elijah Muhammad and the Supreme of Literacy explores how Elijah Muhammad framed the term literacy as contrasted with its generally known definitions and applications. The text frames a construct for understanding why Elijah Muhammad considered the science of literacy essential to the success of the Blackman and woman in America specifically and people in general. It outlines the scriptural foundations of Muhammad's teachings drawn from both Bible and Qur'an. A detailed review of the course of study prescribed for his followers supplies Elijah Muhammad's the unique perspective on both literacy and language. Examples of his study curricula are offered. A brief history of Muhammad's own educational process is presented with an emphasis on the pedagogy of literacy as practiced by Muhammad's teacher W D Fard. Material on the early educational focus of The Nation of Islam is introduced. And finally general commentary on the teachings is made known through the lenses of three men in their role as teachers: W D Fard, teacher of Elijah Muhammad.
