

Revolution and Nationalism**Lesson 3**

Imperial China Collapses

Key Terms and People

Kuomintang Nationalist Party of China that overthrew the Qing Dynasty

Sun Yixian one of the first leaders of the Kuomintang; “father of modern China”

May Fourth Movement Chinese Nationalists protest against China’s fate as decided by the Treaty of Versailles

Mao Zedong leader of the Communist revolution in China

Jiang Jieshi leader of the Chinese Nationalist Party

Long March escape of Communists to safety after being surrounded by Nationalist forces

Before You Read

In the last lesson, you read about totalitarianism in the Soviet Union.

In this lesson, you will learn about the overthrow of the Qing dynasty and the beginnings of the Communist Party in China.

As You Read

Use a chart to note cause-and-effect relationships in the struggle between Nationalist and Communist movements in China.

NATIONALISTS OVERTHROW QING DYNASTY**Who was Sun Yixian?**

The early 20th century was a time of change in China. Many Chinese resented the great control that foreign nations had over their economy. Some wanted to modernize China. They hoped it could regain power.

One of the groups involved in this push was the **Kuomintang**, or Nationalist Party, led by **Sun Yixian**. In 1912, the Kuomintang overthrew the Qing dynasty. A republic was established, and Sun was made the president.

Sun wanted political and economic rights for all Chinese people. He also wanted an end to the foreign control of China. But Sun did not have the support of the military. Six weeks later, he turned over his presidency to Yuan Shikai, a powerful general. Yuan became a military dictator. After he died in 1916, civil war broke out. The people suffered terribly from famine and brutal attacks.

China’s leaders hoped to win the support of the Allies during World War I. They declared war on Germany. When the war ended, though, they were

Section Guided Imperial China Collapses Answers:

World History: Patterns of Interaction McDougal-Littell Publishing Staff, 2004-03 *Rising China and Its Postmodern Fate, Volume II* Charles Horner, 2015-12-22 In Volume II of his study *Rising China and Its Postmodern Fate* Charles Horner continues his examination of how China's continuously changing view of its modern historical experience is also changing its understanding of its long intellectual and cultural tradition. He reflects on China's current rise not as an anomaly but as part of a long tradition of dramatic transformations and he therefore looks at many different Chinas as they interact with various world systems and ever-changing trends. He sees China's formation of its future Grand Strategy as a creative intellectual activity which draws on the strategic imagination that can be found in history, literature, art, architecture, and urban planning. *Farmers' Guide*, 1898 **Bulletin of the Atomic Scientists**, 1966-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security. Founded by the Manhattan Project Scientists, the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world. **The Spectator**, 1870 **African Review**, 1900 The Nation, 1902 **The British Journal of Photography** William Crookes, T. A. Malone, George Shadbolt, J. Traill Taylor, William Blanchard Bolton, Thomas Bedding, 1920 **The Economist**, 1927 **Herald and Presbyter**, 1907 The Saturday Review of Politics, Literature, Science and Art, 1901 *Gardeners' Chronicle*, 1868 *The China Critic*, 1930 Empireworld Sathnam Sanghera, 2024-05-07 Bestselling author and journalist Sathnam Sanghera explores the global legacy of the British Empire and the ways it continues to influence economics, politics, and culture around the world. 2.6 billion people are inhabitants of former British colonies. The empire's influence upon the quarter of the planet it occupied and its gravitational influence upon the world outside it has been profound, from the spread of Christianity by missionaries to the shaping of international law. Even today, 1 in 3 people drive on the left-hand side of the road, an artifact of the British empire. Yet Britain's idea of its imperial history and the world's experience of it are two very different things. Following in the footsteps of his bestselling book *Empireland: How Imperialism Has Shaped Modern Britain*, *Empireworld* explores the ways in which the British Empire has come to shape the modern world. Sanghera visits Barbados, where he uncovers how Caribbean nations are still struggling to emerge from the disadvantages sown by transatlantic slavery. He examines how large charities like Save the Children and the World Bank still see the world through the imperial eyes of their colonial founders and how the political instability of nations such as Nigeria, for instance, can be traced back to tensions seeded in their colonial foundations. And from the British Empire's role in the transportation of 12.5 million Africans during the Atlantic slave trade to the 35 million Indians who died due to famine caused by British policy, the British Empire, as Sanghera reveals, was responsible for some of the largest demographic changes in human history. Economic, legal, and political systems across the world continue to function along the lines originally drawn by the British Empire, and cultural, sexual, psychological, linguistic, demographic, and educational norms originally established by imperial Britons continue to

shape our lives British Empire may have peaked a century ago and it may have been mostly dismantled by 1997 but in this major new work Sathnam Sanghera ultimately shows how the largest empire in world history still exerts influence over planet Earth in all sorts of silent and unsilent ways *The Huainanzi* An Liu,2010 Compiled by scholars at the court of Liu An king of Huainan in the second century B C E The Huainanzi is a tightly organized sophisticated articulation of Western Han philosophy and statecraft Outlining all that a modern monarch needs to know the text emphasizes rigorous self cultivation and mental discipline brilliantly synthesizing for readers past and present the full spectrum of early Chinese thought The Huainanzi locates the key to successful rule in a balance of broad knowledge diligent application and the penetrating wisdom of a sage It is a unique and creative synthesis of Daoist classics such as the Laozi and the Zhuangzi works associated with the Confucian tradition such as the Changes the Odes and the Documents and a wide range of other foundational philosophical and literary texts from the Mozi to the Hanfeizi The product of twelve years of scholarship this remarkable translation preserves The Huainanzi s special rhetorical features such as parallel prose and verse and showcases a compositional technique that conveys the work s powerful philosophical appeal This path breaking volume will have a transformative impact on the field of early Chinese intellectual history and will be of great interest to scholars and students alike The Christian Advocate ,1918 **To-day** ,1898 Bazaar Exchange and Mart, and Journal of the Household ,1892 **The Pastoral Review** ,1921 **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1959 An author subject index to selected general interest periodicals of reference value in libraries

Embracing the Melody of Expression: An Psychological Symphony within **Section Guided Imperial China Collapses Answers**

In a global consumed by screens and the ceaseless chatter of fast transmission, the melodic elegance and mental symphony created by the prepared word often disappear into the background, eclipsed by the persistent sound and disturbances that permeate our lives. Nevertheless, situated within the pages of **Section Guided Imperial China Collapses Answers** a stunning literary prize brimming with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this fascinating masterpiece conducts viewers on an emotional journey, well unraveling the hidden songs and profound influence resonating within each carefully crafted phrase. Within the depths of the moving review, we shall investigate the book is main harmonies, analyze their enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
