Ho, 2007 The author attempts to answer the question of why ESL classroom talk is the way it is Basing her answer on a case study of a school in an ESL community she argues that classroom talk may be linked in important ways to an operative sociocultural structure of ESL pedagogy over and above the classroom at the institutional level **Cambridge O Level English Student Book** Helen Toner, John Reynolds, 2016-02-11 Cambridge O Level English Second Edition has been written for students preparing for the Cambridge O Level English Language examination conducted by Cambridge International Examinations Written in a clear and accessible style the book offers comprehensive coverage as per the revised syllabus Updated and designed for class use as well as independent study the book helps prepare students for the examination

Assessment at 16 Keith Selkirk, 2020-05-04 What students are deemed to have achieved when they are sixteen is the measure of how successful or otherwise their progress through the system of compulsory education has been And yet despite the importance of the process there has been no clear consensus about how best to assess students at sixteen The various formal examinations which have been tried have now largely been superseded by the GCSE a common system of examining at sixteen Originally published in 1988 the book discusses the development of this system its application to the main subject areas of the curriculum and some of its innovative aspects from both a theoretical and a practical standpoint In addition it also looks at the broader aspects of assessment of pupils at the age of sixteen and how we can give a more rounded indication of their achievements and abilities by the use of profiles and records of achievement *Meaning-Focused Materials for Language Learning* Marina Bouckaert, Monique Konings, Marjon van Winkelhof, 2019-01-10 This publication is a result of the joint conference held by MATSDA and Fontys University of Applied Sciences the Netherlands in Tilburg in June 2017 MATSDA is an international materials development association founded in 1993 which serves to bring together

researchers teachers materials developers and publishers in an effort to improve the effectiveness of language learning materials The 2017 conference centred on issues related to the development of meaning focused materials for language learning and attracted presenters from twenty five countries stretching from Greenland to Brazil These issues are reflected in the chapters in this volume with each one focusing on a different aspect of meaning focused materials and many of them introducing the reader to previously unexplored facets of the theory of meaning focused instruction and its application to materials development The contributions here are of essential value to post graduate students to teachers to materials developers and to researchers They are written to be academically rigorous but at the same time accessible to newcomers to the field and to experienced experts alike

Candidates' Performance in the "O" Level English Language

Examination Isaac K. Chinebuah,1970

Early Holistic Scoring of Writing Richard Haswell,Norbert Elliot,2019-11-01

What is the most fair and efficient way to assess the writing performance of students Although the question gained importance during the US educational accountability movement of the 1980s and 1990s the issue had preoccupied international language experts and evaluators long before One answer to the question the assessment method known as holistic scoring is central to understanding writing in academic settings Early Holistic Scoring of Writing addresses the history of holistic essay assessment in the United Kingdom and the United States from the mid 1930s to the mid 1980s and newly conceptualizes holistic scoring by philosophically and reflectively reinterpreting the genre s origin development and significance The book chronicles holistic scoring from its initial origin in the United Kingdom to the beginning of its heyday in the United States Chapters cover little known history from the holistic scoring of school certificate examination essays written by Blitz evacuee children in Devon during WWII to teacher adaptations of holistic scoring in California schools during the 1970s Chapters detail the complications challenges and successes of holistic scoring from British high stakes admissions examinations to foundational pedagogical research by Bay Area Writing Project scholars The book concludes with lessons learned providing a guide for continued efforts to assess student writing through evidence models Exploring the possibility of actionable history Early Holistic Scoring of Writing reconceptualizes writing assessment Here is a new history that retells the origins of our present body of knowledge in writing studies

Life, Times and Work of William Gillies, 1898-1973 Andrew McPherson, 2024-11-30 For seventy years William Gillies has been seen as a placid painter of landscape and decorative still life Andrew McPherson explodes this view to reveal a modernist whose response to the instabilities and violence of modernity touched universals of human experience Gillies idiom was shaped by institutions for artistic production unique to Scotland But it was the politics of Scotland s connections to the rest of the British Isles that produced his mythic and misleading reputation New paintings and new meanings are uncovered placing the micro effects of modernity on mental health family and community in the wider contexts of war nationalism and public patronage McPherson also shows how this changing world led Gillies towards new applications of modernist expression Lavishly illustrated and referencing almost one thousand works this major reappraisal is an indispensable source on the cultural politics of a four nation state and the reception of modernism in Britain
