*Ocr Medical Investigations Mark Scheme* Colin Shephard, Rosemary Rees, 2004-01-30      **Ocr As Business Studies**  
Steve Challoner, Andy Mottershead, Alex Grant, 2006-09 This major textbook has been written to meet the needs of students taking OCR AS Business Studies. It provides comprehensive coverage of the specification and includes a wide range of detailed case studies to help students apply their understanding to real business contexts. Written by three highly experienced examiners, OCR AS Business Studies is printed in full colour throughout and comprises 51 chapters. Each chapter explains the core content of a business topic examined in AS units 1 and 2 and features a set of OCR style questions together with a mark scheme, a case study with questions of the type that students will face in their examination modules, giving them a clear focus to their revision of each topic and an opportunity to improve their exam technique. The case studies have been written to reflect OCR's commitment to providing specifications which view business behaviour from a variety of perspectives. Key terms are explained throughout the book and students are directed to further resources, especially websites where they can update information. Regular group tasks allow students to debate and justify their views on a number of business issues.
