Students will learn to identify and use appropriate language in various contexts. They will learn to use language to express their thoughts and feelings, and to understand the language of others. They will also learn to use language to solve problems and to work together with others.

There are predominantly 3 categories of entry strategies: direct equity capital in cash or equity, joint venture, and greenfield. The last 2 are used to enter a new market. Joint ventures imply a mix of cash or equity (affiliates) and equity (affiliates) in a company, or cash or equity.

- **How (un)ethical is espionage?**
- **Can it be justified, legitimate or even essential to the national interest?**
- **How (un)ethical is the use of agents or spies to obtain information for espionage purposes?**
- **How (un)ethical is the use of agents or spies to report on the activities of other states?**

These results indicate that the use of a networked video conference system for virtual business negotiations results in outcomes equal to outcomes negotiated in person, where participants discuss their own proposed solutions and/or negotiate in person with each other.

These two paragraphs describe the organization's mission and vision. The first paragraph states the organization's purpose, which is to provide a safe and secure environment for its members. The second paragraph describes the organization's vision, which is to be a leading provider of services in its field.
