The correct answer is: "I open the refrigerator, put the giraffe inside and close the door."

This question measures whether or not you do simple things in complicated ways.

2. How would you put an elephant inside a refrigerator?

The incorrect answer would be: "I open the refrigerator, put the elephant inside, and close the door."

The correct answer is: "I open the refrigerator, take out the giraffe, put in the elephant and close the door."

3. The Lion King invites the animals to a conference. All the animals attend except one. Which animal does not attend?

4. There is a river full of crocodiles and you need to cross it. How do you cross it?

The correct answer is: "I just swim through it. "All the crocodiles left for the animal meeting."

This question measures your reasoning ability.

RESULTS

if you answered four out of four questions correctly, you are a true professional. Wealth and success await you.

if you answered three out of four, you are still a little far away but still have hope.

if you answered two out of four, consider a career as a burger flipper at a fast food restaurant.

if you answered one of the four, try selling some of your organs. It's the only way you can make money.

if you didn't answer any of these correctly, consider a career that doesn't require a lot of brain power, such as law or politics.
