Federal Register ,2014 The Report: Oman 2016 Oxford Business Group,2016-01-12 Oman s GDP grew 4.6% between 2013 and 2014 according to the Oman Central Bank with hydrocarbons the main driver of the economy at almost 50% of GDP Although the dip in oil prices has put pressure on government revenues authorities are pressing ahead with spending plans for the sector particularly in the downstream segment The country s infrastructure expansion plans are also moving forward particularly at the country s three ports as the country seeks to leverage its strategic position on the Strait of Hormuz and establish itself as a global transport and logistics hub Feeding off this development drive are the sultanate s banks with project finance regarded as one of the most promising areas for lending growth In the longer term Oman Vision 2020 seeks to boost private sector participation in the economy and fuel SME growth in key sectors including construction retail tourism and transport

Jamaica International Monetary Fund. Western Hemisphere Dept.,2014-12-23

Discussions centered on the preparations for the 2015 16 budget and reforms to strengthen the financial sector and boost growth The authorities have deepened their efforts in supporting their ambitious fiscal goals by strengthening public financial management and revenue administration and they reiterated their resolve to continue containing the wage bill Steps have also been identified to advance the reform of the securities dealers and to increase the resilience of the financial system

Republic of Serbia International Monetary Fund. European Dept.,2016-12-21 This paper discusses Serbia s Sixth Review Under the Stand by Arrangement and Modification of the Arrangement Review Schedule The program remains on track and the economy continues to strengthen Significant fiscal overperformance and renewed efforts to address structural weaknesses have helped boost confidence This along with a healthy credit recovery on the back of substantial monetary policy easing has helped restore robust growth while persistently low inflation has reinforced recovery in real incomes Public debt has started to decline The IMF staff supports the authorities request for the completion of the sixth review under the Stand by Arrangement and a shift to semiannual review

Party and Procedure in the United States Congress Jacob R. Straus,Matthew E. Glassman,2016-07-15 Understanding how Congressional political parties utilize floor procedure to advance a legislative agenda is fundamental to understanding how Congress operates This book offers students and researchers an in depth understanding of the procedural tools available to congressional leaders and committee chairs and how those tools are implemented in the House of Representatives the Senate and during negotiations between the chambers While other volumes provide the party or the procedural perspective this book combines these two features to create a robust analysis of the role that party can play in making procedural decisions Additionally the contributors provide an opportunity to take a holistic look at Congress and understand the changing dynamics of congressional power and its implementation over time The second edition of Party and Procedure in the United States Congress includes case studies and analyses of the changes and innovations that have occurred since 2012 including the nuclear option

Brazil International Monetary Fund. Fiscal Affairs Dept.,2017-05-03 Despite the development of fiscal responsibility legislation several weaknesses in fiscal transparency have had adverse effects on the quality of fiscal policy many of which are being addressed Brazil has made significant progress over recent decades in providing regular information on the budget and its implementation at all levels of government partly driven by the 2000 Fiscal Responsibility Law FRL These include advances in implementing international standards to improve the quality of data At the same time fiscal transparency has been undermined by weaknesses in the fiscal framework and by practices that are inconsistent with the principles of the FRL including unreported liabilities the pedaladas These include incomplete information on policies and their costs or risks accounting changes and lack of clarity on fiscal reporting standards that undermine the effectiveness of the fiscal rules at all levels of government lack of transparency in the relationship between the central government and public banks and between the central government and subnational governments and corruption involving some of the largest public enterprises Since
