Fruit of the Spirit Mary Tucker,2003-06-20 When we teach children about the fruit of the Spirit we latch onto the idea of fruit apples oranges grapes as a way to simplify and illustrate the idea The activities in this book will help children understand the fruit of the Spirit where it comes from how they can demonstrate it in their everyday lives and how Jesus set an example for demonstrating the fruit of the Spirit in His relationships with His Father and with other people Activities include puzzles coded messages mini books rhymes songs acrostics crafts object lessons and various othe creative teaching ideas Each lesson begins with a Bible story of a person who demonstrated the fruit of the Spirit in his or her life The stories are presented in a variety of creative ways to capture children s attention and hold it The story is followed by a memory verse and a bulletin board idea Each lesson includes 6 7 pages of Bible activities to involve children in discovering for themselves the importance of each fruit mentioned in Galatians 5 22 23 The lessons are based on the New International Version Bible An answer key is provided at the back of the book Easy Object Stories Luther S. Cross,1984-12 **Project Self-Esteem** Wendy Cullum,2014-05-01 Shyness bullying and depression can be a sad part of every childs school experience Each of these problems can be traced back to a single sourcea lack of self esteem In my many years of working with children I have found that the key to helping our kids succeed in life is building up their self esteem at an early age In this book are valuable life lessons that have been tried and tested for more than fifteen years by myself and other parents and teachers in their homes and classrooms The subjects that are taught range from courage to forgiveness The lessons are fun and uplifting and have profound effects on children and their self esteem When children feel they have value they are happier and do better in school and in life I taught the lesson for PSE on Joy Thank you so much for such a great lesson I went to teach it to the kids at their level and left the classroom so encouraged and full of joy because I couldnt help but to understand the topic The kids enjoyed all the activities and we had such a fun time Again thank you so much for all the work you do to put this program together It doesnt just impact the children it was an amazing and timely reminder for me today Cristina Sands stay at home mom PSE is a wonderful program at our school The valuable lessons and discussion points are age appropriate and engaging We appreciate how they are grade specific Our students teachers and volunteers look forward to the activities and relatable topics each month Marlo Guerra PTA member and grounds supervisor The Inside Out Porcupine Luther S. Adam Slept is written to challenge the imagination of God's daughters beyond prevalent perspectives and into realities of kingdom authority and rule. Each challenge is designed to be spiritually liberating, intellectually enlightening, and emotionally empowering. We do not know implicitly what interactions took place between our Creator and Eve while Adam slept, exploring various possibilities beyond traditional perspectives will be an edifying and enlightening journey. Set your heart to preview the awe-inspiring potentials of a woman groomed by the Spirit and summoned for an audience with The King of kings. These contemporary times necessitate our understanding of the Spirit's shift towards kingdom authority and dominion, which is inextricably linked to our true identity and purpose as heirs of eternal life. My hope, daughter of Zion, is that you will receive personal illumination from God's message to you. This is your grandest hour. As the Lord's betrothed, prepare your heart to receive the substance needed for heirs of the kingdom to groom their entire essence for spiritual understanding and ascension. A different perspective will challenge existing knowledge; decide if you are ready for a spiritual expedition or a mundane existence satisfying and fulfilling.
