The Little Book of Healthy Eating Amicia Boden,2016-05-05 Tackling childhood obesity is a major priority for local authorities and health

organisations with recent reports identifying that more than one in five children are overweight or obese when they enter reception year There is a growing spotlight on early years providers to demonstrate their healthy eating environment both in terms of food provision and food education This book is a bank of fun healthy eating activities that can also be used to meet the Early Learning Goals It provides advice and ideas for healthy eating activities and is also linked to meeting the EYFS welfare requirement for healthy balanced and nutritious food and drink The national guidance on healthy eating in early years settings is highly detailed and technical Whilst this is a valuable resource time poor Early Years Practitioners have a need for this material to be translated into the popular and accessible Little Book format

The Giant Encyclopedia of Circle Time and Group Activities for Children 3 to 6 Kathy Charner,1996 Contains more than six hundred circle time and group activities designed by teachers to use with children three to six years old each including a suggested age a list of materials and step by step directions and features lists of related books songs and poems

The Kramer Method of Art Therapy David R. Henley,2024-03-26 Although this is a clinical text it is also more a conversation than a book It is a means of sharing the work of artists most of whom have varying degrees of special needs It emphasizes that handicapping conditions do not constitute a barrier for creating therapeutically meaningful art The precepts of Edith Kramer focus on subtly suggesting media content or techniques all without interfering with the artist s preferences This intervention came to be known as the Third Hand where the artist in therapy is free to accept reject or ignore the therapist s suggestions The case vignettes describe how aesthetic richness is also illustrative of the uniqueness of clients clinical stories with the artists emotional or behavioral challenges overcoming and even benefiting by their conditions The work of early pioneers who influenced Kramer s illustrate how her own analytical methods later shaped her approach The format in this book also questions the author as being the ultimate authority by posing questions to the reader says a kind of dialogue that emphasizes there are no absolutes in art behavioral science or therapy While espousing Kramer s and his own ideas Henley also includes those of other art therapists who contribute their own expertise in the hope that the analyses will be enriched from multiple perspectives Dr Henley describes how her therapeutic interventions were debated during their many years of collegial interaction By describing Kramer s early influences and personal art history he describes how Kramer s interventions helped innumerable clients and trained hundreds of student therapists These facets will hopefully enable creative arts therapists to implement her patented artist centered interventions The processes and artistic outcomes will lead the way guiding the reader toward the uses of the Third Hand and hopefully bring alive the uniqueness of these special artists stories

Cognitive Kin, Moral Strangers? Linking Animal Cognition, Animal Ethics & Animal Welfare Judith Benz-Schwarzburg,2019-10-14 In Cognitive Kin Moral Strangers Judith Benz Schwarzburg reveals the scope and relevance of cognitive kinship between humans and non human animals She presents a wide range of empirical studies on culture language and theory of mind in animals and then leads us to ask why such complex socio cognitive abilities in animals matter Her focus is on ethical theory as well as on the practical ways in which we use animals Are great apes maybe better described as non human persons Should we really use dolphins as entertainers or therapists Benz Schwarzburg demonstrates how much we know already about animals capabilities and needs

and how this knowledge should inform the ways in which we treat animals in captivity and in the wild *Create an Emotion-Rich Classroom* Lindsay N. Giroux, 2022-10-11 Strategies and activity ideas to support emotional development in children What is an emotion rich classroom Similar to how a print rich environment exposes children to a variety of printed materials an emotion rich one intentionally surrounds children with a wide range of social emotional learning experiences and supportive interactions Create an Emotion Rich Classroom provides frameworks for planning and implementing strategies to support emotional development in children This practical and easy to use resource helps early childhood educators develop the emotional literacy of the young children in their classrooms Readers learn how to increase children s emotional vocabulary model how to recognize and cope with various emotions support self regulation and reduce challenging behaviors discuss emotions in others and in storybook characters support and engage families in fostering emotional skills at home Experienced in emotional development in children and early childhood education author Lindsay N Giroux M Ed shows readers how to effectively weave social and emotional instruction into the fabric of the school day Create an Emotion Rich Classroom focuses on individual skills making social and emotional instruction specific and measurable With consistently structured chapters this book is easy to use and rich in ideas and strategies Digital content includes checklists planning sheets and other materials to support educators as they build an emotion rich classroom A free downloadable PLC Book Study Guide is available **Learning Threads for the EYFS** Eleanor Hoskins, 2019-02-15 This book presents clear and concise practical activities that are detailed and closely linked to early years specifications and requirements The Learning threads and practical activities in this book embrace early years play and exploration whilst recognising the preparation needed for Key Stage 1 Year 1
