Basic framework of the syllabus is taken up from the content areas prescribed by Central Board of Secondary Education for English Communicative Programmes. It will be equally helpful for teachers and other associates having passion of providing quality guidance along with time tested practice materials. Equal strength is provided on both grammar rules and communication skills. Some of the fundamentals are duly incorporated to make the content area a balanced one for the fellow aspirants. Incorporation of some of the basic templates are avoided for keeping the volume of this workbook in limit. One can take support of any of the grammar and comprehension handbook for gaining mastery in all such basic formats. This workbook will imply focus on the higher levels of English Grammar and Compositions. It is duly recommended that one should not skip any of the content area incorporated in this workbook for confirming attainment of mastery in English in prescribed time limit. One should go on practicing regularly for increasing the pace of learning. Understanding the concept of using appropriate English is equally important for gaining enhanced pace in the field of appropriate use of English. If we try to incorporate all the basic rules of writing and speaking English in this workbook then it will become a difficult task to make them absolutely contented without repeating any section. This workbook is prepared with principal objective of providing aspirants a template of self propelled study modules which will equip them differently. Importance is equally implied on both practical as well as traditional ways of communication that people adopt in modern society. It is also evident from our regular survey that people prefer using conventional ways of speaking and writing to bring easiness in delivering concepts and propositions. We will also point out several other technical briefings along with the worksheets for making the concept easy to understand.
