Prayer and Vindication in Luke - Acts Geir O. Holmas,2011-03-17 This is a comprehensive study of the literary function of prayer in Luke Acts employing narrative critical methodology and focusing on the theme s relation to Luke s historiographical aims Holmas asserts that the distribution of strategically placed prayer notices and prayers throughout Luke Acts serves a twofold purpose First it is integral to Luke s project of authenticating the Jesus movement as accredited by Israel s God Holmas shows that Luke presents a consistent pattern of divine affirmation and redemption attending the tenacious prayers of the faithful ones throughout every major phase of his narrative in turn

demonstrating continuity with the pious Israel of the past Secondly most importantly the ultimate purpose of Luke's emphasis on prayer is didactical In Luke's gospel Jesus summons his disciples and implicitly his readers to confident and persistent prayer before the Eschaton assuring them of God's readiness to answer their entreaties Luke's historical account as a whole provides narrative reinforcement of this affirmation Just as God has been consistent in responding to the diligent prayers of his faithful ones in recent history satisfying and fulfilling Israel's hopes for redemption in the Jesus movement he will assuredly secure ultimate vindication at the end of time for those who persist in prayer It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches The Early Christianity in Context series a part of JSNTS examines the birth and development of early Christianity up to the end of the third century CE The series places Christianity in its social cultural political and economic context European Seminar on Christian Origins and Journal for the Study of the Historical Jesus Supplement are also part of JSNTS

Abide and Go Michael J. Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of Jesus As God's children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis
