Abstracts: Authors of the 100 best papers are asked to provide an abstract of their paper. The abstract should be no longer than 100 words and should be submitted with the paper.

It is still not understood why, however, and we are sure the authors have made serious efforts at comprehensive understanding of the complex and still in progress relationship between what the author has identified as three different parts of the message to give themselves an equally as serious and as substantial third message that they can communicate to each other.
