

Ch. 11 Language & Society Chapter - The Cultural? Language by Bartholomew 2016 Ed 3000

Definition: Language: An arbitrary, conventionalized, structured system of symbols that serves as a means of communication

→ Communication: the way that people interact with each other. Language is the means by which we communicate the significance of the world.

- **Arbitrary language:** A collection of symbols that are used to represent things that are not directly related to the symbols themselves.
- **Conventionalized language:** The process by which a set of symbols is used to represent things that are not directly related to the symbols themselves.
- **Structured language:** A collection of symbols that are used to represent things that are not directly related to the symbols themselves.
- **Language system:** A collection of symbols that are used to represent things that are not directly related to the symbols themselves.
- **Language group:** A collection of symbols that are used to represent things that are not directly related to the symbols themselves.
- **Language family:** A collection of symbols that are used to represent things that are not directly related to the symbols themselves.
