I Can't Fall In Love (English Edition) Renée Conte, 2025-08-21 Five years had passed since Andrea and Beatrice had last seen each other in person and if it hadn't been for that incomplete message she had sent him by mistake they probably wouldn't have met again The two young people had met when they were still children during their summer holidays on the beach at Follonica A sincere and innocent friendship was immediately born between them which grew stronger every summer until as teenagers they realized that that friendship had turned into a tender infatuation especially on Andrea's part But their beautiful friendship did not continue due to the break off of the engagement between Beatrice's mother and her partner who no longer allowed her to return to Follonica Although Beatrice and Andrea both lived in Milan they never had the chance to meet During the year Andrea he used to study in Switzerland in the summer he spent his holidays in Follonica Then once he graduated from high school he moved to New York to continue his studies A distance that is difficult to bridge Then even their phone calls which were frequent at first became increasingly rare over time until they stopped altogether Therefore that delicate feeling that had united them as teenagers seemed destined to remain only a beautiful memory At the age of 19 and having put aside her crush on Andrea unlike her peers Beatrice still didn't have a boyfriend and was not interested in having one She preferred to avoid sentimental complications so as not to be conditioned by the expectations and decisions of others She had goals to achieve before she could fall in love first of all her studies then her career and last but not least her independence Beatrice knew the pain her mother had suffered for always putting love first She didn't want to make the same mistake But in love there are no rules it is practically impossible to choose when and with whom to fall in love because love is an instinctive feeling that arises when you least expect it that absorbs you body and soul that makes you do stupid things even and you cannot love or not love on command to avoid them Despite her stubbornness Beatrice's intentions are shattered when after receiving that message Andrea asks to

see her again It takes little to awaken in the boy the strong feeling he had felt years before for his young friend at the same time Giorgio Beatrice s lifelong friend also declares to her that he feels something that goes far beyond mere friendship However she is not ready to start a romantic relationship neither with Andrea nor with Giorgio for whom she nevertheless feels a deep affection In order not to disappoint either of them and not to make any decisions about their statements she is convinced that she will be able to manage the friendship of both of them Without emotional involvement but it is only an illusion and the sentimental complications she so badly wanted to avoid will come crashing down on her without her realising it With love also comes jealousy which will make her make bad decisions And it is from that moment that things really start to get complicated

Running Away to Love Barbara Cartland,2022-09-21 For beautiful young Ivana her stepfather Keith Waring is no replacement for her much missed father the Honourable Hugo Sherard who was killed in Spain fighting against Napoleon Bonaparte Her stepfather is a spendthrift and he has gambled away virtually everything the family owns Ivana s hatred for her stepfather is doubled when to her utter horror she overhears him offering her as a kept woman to the equally despised Lord Hanford for over five thousand pounds Ivana runs away with her old Nanny acting as her chaperone and companion and applies for work through a Domestic Agency where she is invited to apply for a post using her flawless Parisian French for the Earl of Lorimer who is working in the War Office Expecting a man to apply for the post the imperious but handsome Earl is at first sceptical but on realising that he knew her father he soon warms to her saying that he has a difficult and dangerous mission for her Ivana is to become a spy working undercover against Napoleon s secret agents And so her perilous adventures begin Very soon she loses her heart and at every turn she risks losing her life But the worst danger of all comes not from the wartime enemy but from the evil Lord Hanford who is still determined to possess her as he has already paid for her
