Three of a Kind C.J. Pinard,Kristen Middleton,LR Potter,2013-03-17 This is a collection of three short stories by three talented authors The Coin Collector In their small Iowa town children start to go missing on their tenth birthday The hot Irish girl across the street claims her creepy father Mr O Darby is a leprechaun who collects more than just gold coins and 17 year old Trent begins to fear for the safety of his brother Ben whose tenth birthday grows near Lucky Strike Atlantic City New Jersey For years the city has brought to mind bright lights big shows and of course games of chance and luck For Chance Lamont the city has begun to lose its appeal Luck doesn't strike everyone she'd been told and they were right Her life had been steadily going downhill since her teens Will a chance encounter with someone from her past as well as a brush with a fabled lucky creature change her fate Or will her only luck continue to be bad luck Leprechaun Be careful what you wish for it's the classic warning For Chicago native Noah Graham he didn't care about warnings He had everything he ever wanted in life and he wasn't even 30 yet Yet there was one thing he still wanted but didn't have a divorce But how to divorce her without giving up half A strange man he meets in a bar offers him a way out for a price Free excerpts of all the authors other books are included in this book Recommended for ages 16 and up Keywords free freebie free ebook free romance free romance ebook free new adult romance free contemporary romance free luck book free second chance free romance book free quick read short serial romance free romance books free romance book romance free freebie free book free ebook free romance ebook free romance book free romance novel free book free romance free St Patrick's day Prisons and Prisoners in Victorian Britain Neil R Storey,2011-11-08 Prisons and Prisoners In Victorian Britain provides an illustrated insight into the Victorian prison system and the experiences of those within it on both sides of the bars Featuring stories of crime and misdeeds this fascinating book includes chapters on a typical day inside a Victorian prison food divine service exercise and medical provision the punishments inflicted on convicts such as hard labour flogging the treadmill and shot drill and an overview of the ultimate penalty paid by prisoners execution Richly illustrated with a series of photographs engravings documents and letters this volume is sure to appeal to all those interested in crime and social history in Victorian Britain

Hermeneutics of Doctrine in a Learning Church Gregory A. Ryan,2020-08-10 In Hermeneutics of Doctrine in a Learning Church Gregory A Ryan offers an account of the dynamic multi dimensional task of interpreting Christian tradition He integrates doctrinal hermeneutics the pastorality of doctrine exemplified by Pope Francis and a systematic appraisal of Receptive Ecumenism to provide an original perspective on this task The book focuses on three contemporary Catholic theologians Francis Schüssler Fiorenza Ormond Rush and Paul D Murray highlighting how each recognises the dynamic interaction of multiple perspectives involved in authentic ecclesial interpretation Christian tradition whether passed on in teaching scripture practices or structures needs to be continually received and interpreted This book offers theologians ecumenists and church workers a fresh model for receptive ecclesial learning in which doctrinal hermeneutics and pastoral

realities are dynamically integrated **Littell's Living Age** ,1882 *The Living Age* ,1882 Feverish Bodies,
Enlightened Minds Thomas Apel,2016-03-30 From 1793 to 1805 yellow fever devastated U S port cities in a series of
terrifying epidemics The search for the cause and prevention of the disease involved many prominent American intellectuals
including Noah Webster and Benjamin Rush This investigation produced one of the most substantial and innovative
outpourings of scientific thought in early American history But it also led to a heated and divisive debate both political and
theological around the place of science in American society *Feverish Bodies* *Enlightened Minds* opens an important window
onto the conduct of scientific inquiry in the early American republic The debate between contagionists who thought the
disease was imported and localists who thought it came from domestic sources reflected contemporary beliefs about God and
creation the capacities of the human mind and even the appropriate direction of the new nation Through this thoughtful
investigation of the yellow fever epidemic and engaging examination of natural science in early America Thomas Apel
demonstrates that the scientific imaginations of early republicans were far broader than historians have realized in order to
understand their science we must understand their ideas about God Race and Revolution Gary B. Nash,1990-12-01 The
most profound crisis of conscience for white Americans at the end of the eighteenth century became their most tragic failure
Race and Revolution is a trenchant study of the revolutionary generation s early efforts to right the apparent contradiction of
slavery and of their ultimate compromises that not only left the institution intact but provided it with the protection of a
vastly strengthened government after 1788 Reversing the conventional view that blames slavery on the South s social and
economic structures Nash stresses the role of the northern states in the failure to abolish slavery It was northern racism and
hypocrisy as much as southern intransigence that buttressed the peculiar institution Nash also shows how economic and
cultural factors intertwined to result not in an apparently judicious decision of the new American nation but rather its most
significant lost opportunity *Race and Revolution* describes the free black community s response to this failure of the
revolution s promise its vigorous and articulate pleas for justice and the community s successes in building its own African
American institutions within the hostile environment of early nineteenth century America Included with the text of *Race and
Revolution* are nineteen rare and crucial documents letters pamphlets sermons and speeches which provide evidence for
Nash s controversial and persuasive claims From the words of Anthony Benezet and Luther Martin to those of Absalom Jones
and Caesar Sarter readers may judge the historical record for themselves In reality argues Nash the American Revolution
represents the largest slave uprising in our history *Race and Revolution* is the compelling story of that failed quest for the
promise of freedom **Catalogue of the Permanent Collection, with an Appendix of Works Deposited** Pennsylvania
