Russian Roulette The Konstantin Files:

Russian Roulette Ralph Griffith, 2025-10-10 Russian Roulette A Dmitri Petrov Crime Novel The call to Chief Inspector Dmitri Petrov comes as he is about to retire for the night The Director of Major Crimes his voice frantic with the news that four men were executed at one of Saint Petersburg s most upscale restaurants by a group of Chechens wielding AK 47s But the victims were not well to do business leaders they were high ranking vory powerful leaders of the biggest organized crime groups in the Russian Federation The Director of Major Crimes terrified of a brutal gang war erupting in the streets of Saint Petersburg has a clear and urgent demand he wants Dmitri to handle the matter personally With the entire criminal underworld on edge Dmitri must navigate a criminal hierarchy on the brink of all out war He finds himself in a high stakes game where the odds are stacked against him This is no ordinary investigation This is Russian Roulette A chilling high stakes thriller where a single wrong move can ignite a city wide gang war Petrov faces his most dangerous case yet in a riveting tale of power betrayal and underworld politics A deadly game of strategy and chance that perfectly lives up to its title Pulse pounding and authentic plunging the reader into the heart of Russian organized crime To Break Russia's Chains Vladimir Alexandrov, 2021-09-07 A brilliant examination of the enigmatic Russian revolutionary about whom Winston Churchill said few men tried more gave more dared more and suffered more for the Russian people and who remains a legendary and controversial figure in his homeland today Although now largely forgotten outside Russia Boris Savinkov was famous and notorious both at home and abroad during his lifetime which spans the end of the Russian Empire and the establishment of the Soviet Union A complex and conflicted individual he was a paradoxically moral revolutionary terrorist a scandalous novelist a friend of epoch defining artists like Modigliani and Diego Rivera a government minister a tireless fighter against Lenin and the Bolsheviks and an advisor to Churchill At the end of his life Savinkov conspired to be captured by the Soviet secret police and as the country s most prized political prisoner made headlines around the world when he claimed that he accepted the Bolshevik state But as this book argues this was Savinkov s final play as a gambler and he had staked his life on a secret plan to strike one last blow against the tyrannical regime Neither a Red nor a White Savinkov lived an epic life that challenges many popular myths about the Russian Revolution which was arguably the most important catalyst of twentieth century world history All of Savinkov s efforts were directed at transforming his homeland into a uniquely democratic humane and enlightened state There are aspects of his violent legacy that will and should remain frozen in the past as part of the historical record But the support he received from many of his countrymen suggests that the paths Russia took during the twentieth and twenty first centuries the tyranny of communism the authoritarianism of Putin s regime were not the only ones written in her historical destiny Savinkov s goals remain a poignant reminder of how things in Russia could have been and how perhaps they may still become someday Written with novelistic verve and filled with the triumphs disasters dramatic twists and contradictions that defined Savinkov s life this book shines a light on an extraordinary man who tried to change

Russian and world history **The Beautiful Spy** David Tremain, 2019-04-05 In September 1940 a beautiful young woman arrived by seaplane and rubber dinghy on the shores of Scotland accompanied by two men one of Germany's many attempt to penetrate British defences and infiltrate spies into the UK This seems to be one of the few established facts in the otherwise mysterious tale of Vera Eriksen Even the origins of the woman described as the most beautiful spy remain hazy as does her ultimate fate David Tremain delves into the archives and in doing so begins to reveal glimpses of her fascinating life story her career as a dancer in Paris a tumultuous and violent dalliance with a White Russian officer of uncertain identity her time in England with the Duchesse de Chateau Thierry an Abwehr agent the suspicious and untimely death of her husband and a rumoured pregnancy The Beautiful Spy also grapples with perhaps the biggest mystery of all what happened to Vera after she was released by the British The Publishers' Trade List Annual ,1979 *Russian roulette?*. Russian Roulette , 1959 **Life After Russian Roulette** Michael B. Kaminski, 2014-03 My tired bloodshot eyes focused on the dark reflection of the man staring back at me I strained to visualize and reconcile with the person I had become years ago Bloodstained faces of all the people I had hurt and destroyed in years of undercover work in drug groups and organized crime associations flooded my mind However what still haunted me the most was the shooting of one man that we justified as cops Now here I was in seminary preparing for final graduation and future ordination It was like looking into the eyes of a stranger My life became a labyrinth of distorted loyalties and false realities as an undercover police detective What I had believed at one time in life about right and wrong morals and ethics was now as grey dirty and hazy as the mirror I was looking into like painful reflections of my life I wanted to kill the man that controlled my mind my body my soul and my life I wanted the game to end This is a true story based on actual events My story begins during a long and lonely night in a dingy dorm room in seminary as I contemplated my past and the dark figures lives that still tormented me from years of undercover assignments as a police officer and detective Suicide numbed cold by the warmth of brandy appeared to be the only solution to finally end the nightmares which drove me toward a desire for ordination The series of events that follow that long night

will take the reader on a winding course of exploration and confrontation through the early days of the police academy the streets of Western District in Baltimore City a history making police strike undercover in drug groups and organized crime the Pagans motorcycle gang the docks of the Coast Guard Yard in Baltimore and eventually a shooting that affected my mind body and soul After resigning from the police department and working as a private investigator for defense attorneys who had defended most of the people I arrested as a police detective I find myself detained in the Russian embassy in Washington D C I was running from the reality of life unsure of the destination Eventually after ordination and struggling spiritually to find my faith working in parish ministry I finally find the one blessing from God that I was searching for most of my life LOVE With Sharon I come to know understand feel and find a power of love that transcends all physical forms that most people define love I find a level of love that was not limited to physical sexual desires like all my past relationships However this love Sharon will eventually be taken from me At first glance you might think you know how police and undercover detectives work but you could be dead wrong Hidden within the plot of this story is a series of inner conflicts moral and ethical dilemmas and choices that many people in law enforcement make in the line of duty How an individual enforces the law many times is reduced to personal decisions When you chose to cross the line when you justify that wrong is right you walk a very dangerous path in life Then you deal with the consequences as you wrestle with your conscience I only hope that in the end the reader will find what I continue to seek and search for in life peace love and enlightenment **Russian Roulette** Jack

Russian Roulette MSz-wonder,2020-08-18 It really happened although some will probably find it hard to believe This is one of the story from the series entitled Russian roulette This cycle is a collection of stories about my life in Russia where I

lived between the years 1992 1994 The canvas of these stories is the then Russia shown not only as a huge country and the then falling power but above all as a nation Real people of flesh and blood with a mentality specific to this part of the world about which in fact we know very little with their different original philosophy of life and a whole range of unconventional ways to survive in that difficult even brutal reality The stories I described just like the characters in this story are true Russia is not only a huge country Russia is a state of mind
