Everyone gets dressed every day, but body art has not received the attention it deserves as the most common and universal of material expressions of culture. **The Grace of Four Moons** aims to document the clothing decisions made by ordinary people in their everyday lives. Based on fieldwork conducted primarily in the city of Banaras, India, Pravina Shukla conceptualizes and realizes a total model for the study of body art understood as all aesthetic modifications and supplementations to the body. Shukla urges the study of the entire process of body art from the assembly of raw materials and the manufacture of objects through their sale and the interactions between merchants and consumers to the consumer's use of objects in creating personal decoration. **Insight Guides Pakistan (Travel Guide eBook)** Insight Guides, 2020-01-01.
