Que. 1 **Directions:** Study the following information carefully and answer the question given below.

There are 6 persons A, B, C, D, E, and F are sitting around a circular table, but not necessarily in the same order and all are facing towards the center. All the persons are married and there is an equal number of husbands and wives in the group. They are of different ages viz. 36, 51, 48, 33, 41, and 28 but not necessarily in the same order. The age of the husband is greater than the age of the wife. No couple sits together and no two even/odd aged persons are sitting together.

B, an even-aged person is sitting second to the left of a person whose age is 48. Only two persons sit between A, the female person and the person whose age is 41. D is married to F, who is the oldest person. C, whose age lies between 30 and 40 is sitting second to the right of A's husband. The youngest person sits to the immediate right of the oldest person.
