Laundry Cheryl Mendelson, 2009-11-24 From the author of the bestselling Home Comforts comes a spin off of one of the most often consulted topics in the classic book on housekeeping For Cheryl Mendelson laundering is the best part of housekeeping It s full of physical pleasures the look of favorite clothes restored to freshness and beauty the tactile satisfaction of crisp linens in beautifully folded stacks Good laundering preserves things you love and protects your pocketbook It doesn t take much time or effort What it takes is knowledge and Laundry is the comprehensive entertaining and inspiring book on the art of laundering Culled from the bestselling Home Comforts with revised and updated information and a new introduction Laundry is an indispensable guide to caring for all the cloth in one s home from kitchen rags to bedding hand washables and baby clothes to vintage linens Mendelson offers detailed guidance on when to disregard labels removing stains making environmentally informed choices sewing and storing clothing and fabrics A much needed antidote to the standard issue how to manual Laundry celebrates the satisfactions of ironing folding and caring for clothes and linens Both pragmatic and eloquent Mendelson provides beginning and veteran homemakers with a seamless combination of reliable instruction time tested advice and fascinating personal narrative Writing with infectious love and respect for her subject Mendelson is sure to instill in readers a newfound affection and appreciation for the art of laundering **The Best**

Interface is No Interface Golden Krishna, 2015 This book gives students a wildly entertaining visionary piece that offers a compelling new way to see the future of technology They ll learn the fascinating ways to think beyond screens using three principles that can lead toward more meaningful innovation Whether they re working in the technology industry or just concerned about our technological future they ll find this insightful and creative book captivating *Federal Register* , 2008

Best Practices Are Stupid Stephen M. Shapiro, 2011-09-29 What if almost everything you know about creating a culture of innovation is wrong What if the way you are measuring innovation is choking it What if your market research is asking all of the wrong questions It s time to innovate the way you innovate Stephen Shapiro is one of America s foremost innovation advisers whose methods have helped organizations like Staples GE Telef nica NASA the U S Air Force and USAA He teaches his clients that innovation isn t just about generating occasional new ideas it s about staying consistently one step ahead of the competition Hire people you don t like Bring in the right mix of people to unleash your team s full potential Asking for ideas is a bad idea Define challenges more clearly If you ask better questions you will get better answers Don t think outside the box find a better box Instead of giving your employees a blank slate provide them with well defined parameters that will increase their creative output Failure is always an option Looking at innovation as a series of experiments allows you to redefine failure and learn from your results Shapiro shows that nonstop innovation is attainable and vital to building a high performing team improving the bottom line and staying ahead of the pack Popular Mechanics , 2001-12 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home
