"The Introductory" Answer Key

Directions: After reading the story, answer each of the following questions in complete sentences.

1. Discuss the feud between the two protagonists.

Black and Graciano and Geng Zhenyao distrust each other due to their respective grandfather's feud (their grandfathering about land ownership). Both continuously guard their territory, looking to attack the other as a trespasser or poacher.

Answers will vary.

2. What is the setting? List three descriptions of the setting that reinforce the mood of the story.

The setting is in the forest of the Guapetán mountains of northern Colombia, Putumayo, the Orinoco, or Amazonia. The time period is probably in the late 1800's-early 1900's, as this is when the author lived.

Words, phrases, or sentences that reveal the atmosphere of the story include the following: steep slopes and the wild tangle of undergrowth, pouring through the tree trunk and booming through the whistling and clinking of the wind and the restless bending of the branches; dark forest; wind-swept wind or night-breeze of the woods; wind among the branches that would seem to sweep through the dark forest; Monar's own windows overlooked them both a flash; dust of the storm had been answered by a splashing crash and their heads, and now they could leap inside, in case of falling; branch now had threatened down upon them; in the cold, gloomy forest, with the wind tearing in glist'gouts through the naked branches and whistling round the tree trunks; Monar's.

Answers will vary.

3. What are the men doing when the story begins?

The men are protecting their property with their foresters, looking for poachers and trespassers.

4. Share the events of the meeting of the two enemies.

When the men meet, each states to the other with "there is no peace and murder agreement in his mind." At that moment, a branch now falls and traps both of them.

Answers will vary.
