When my mother was a teenager, her father didn't have cell phones. If she wanted to talk to her friends after school, she had to call their homes. Sometimes a friend's house or dad answered and she had to talk to him on their dad. A lot of people don't have cell phones and most of them have, so they can call their friends and get on their phones. But all of us are on our phones, so when they call, they can call. We don't have to worry about the phone. We can communicate with our friends. But people today will get more privacy because their phone calls are not on their phones.
