Ship it! Jared Richardson, William A. Gwaltney, 2005-06-01 Ship It is a collection of tips that show the tools and techniques a successful project team has to use and how to use them well You'll get quick easy to follow advice on modern practices which to use and when they should be applied This book avoids current fashion trends and marketing hype instead readers find page after page of solid advice all tried and tested in the real world Aimed at beginning to intermediate programmers Ship It will show you Which tools help and which don't How to keep a project moving Approaches to scheduling that work How to build developers as well as product What's normal on a project and what's not How to manage managers end users and sponsors Danger signs and how to fix them Few of the ideas presented here are controversial or extreme most experienced programmers will agree that this stuff works Yet 50 to 70 percent of all project teams in the U.S. aren't able to use even these simple well accepted practices effectively This book will help you get started Ship It begins by introducing the common technical infrastructure that every project needs to get the job done Readers can choose from a variety of recommended technologies according to their skills and budgets The next sections outline the necessary steps to get software out the door reliably using well accepted easy to adopt best of breed practices that

really work Finally and most importantly Ship It presents common problems that teams face then offers real world advice on how to solve them

**The Nature of Software Development** Ron Jeffries, 2015-02-19 You need to get value from your software project You need it free now and perfect We can't get you there but we can help you get there cheaper sooner and better This book leads you from the desire for value down to the specific activities that help good Agile projects deliver better software sooner and at a lower cost Using simple sketches and a few words the author invites you to follow his path of learning and understanding from a half century of software development and from his engagement with Agile methods from their very beginning The book describes software development starting from our natural desire to get something of value Each topic is described with a picture and a few paragraphs You're invited to think about each topic to take it in You'll think about how each step into the process leads to the next You'll begin to see why Agile methods ask for what they do and you'll learn why a shallow implementation of Agile can lead to only limited improvement This is not a detailed map nor a step by step set of instructions for building the perfect project There is no map or instructions that will do that for you You need to build your own project making it a bit more perfect every day To do that effectively you need to build up an understanding of the whole process This book points out the milestones on your journey of understanding the nature of software development done well It takes you to a location describes it briefly and leaves you to explore and fill in your own understanding What You Need You'll need your Standard Issue Brain a bit of curiosity and a desire to build your own understanding rather than have someone else's detailed ideas poured into your head

***Pomodoro Technique Illustrated*** Staffan Noteberg, 2009-12-28 Printed in full color Do you ever look at the clock and wonder where the day went You spent all this time at work and didn't come close to getting everything done Tomorrow try something new Use the Pomodoro Technique to work in focused sprints throughout the day In Pomodoro Technique Illustrated Staffan Noteberg shows you how to organize your work to accomplish more in less time There's no need for expensive software or fancy planners You can get started with nothing more than a piece of paper a pencil and a kitchen timer You have so much you need to accomplish today Your list is a mile long and you find yourself getting interrupted every other minute You'd like to tell everyone to leave you alone but most of the interruptions are coming from you You think of a phone call you need to make or a web site you need to check and before you know it you're answering email checking twitter and finding a million other things to occupy your time You need to focus really focus The Pomodoro Technique puts you back in charge of your day You'll apply successful techniques from software engineering to identify what you should be doing today and to help you achieve your goals Your mind won't wander when it is fully engaged in short bursts of focused activity Learn to work less and accomplish more using nothing more than paper pencil and a simple kitchen timer Set the timer and start on your next Pomodoro When the bell rings take a break This personal approach to timeboxing is at the core of the Pomodoro technique and this book is filled with advice on how to get started and how to tailor it to your own needs

**Driving Technical Change** Terrence Ryan, 2010-12-28 Your co-workers resistance to new

technologies can be baffling Logical arguments can fail If you don't do politics you will fail With Driving Technical Change by Terrence Ryan you'll learn to read users' patterns of resistance and then dismantle their objections Every developer must master the art of evangelizing With these techniques and strategies you'll help your organization adopt your solutions without selling your soul to organizational politics Finding cool languages, tools, or development techniques is easy new ones are popping up every day Convincing co-workers to adopt them is the hard part The problem is political and in political fights logic doesn't win for logic's sake Hard evidence of a superior solution is not enough But that reality can be tough for programmers to overcome In Driving Technical Change: Why People On Your Team Don't Act on Good Ideas and How to Convince Them They Should Adobe software evangelist Terrence Ryan breaks down the patterns and types of resistance technologists face in many organizations You'll get a rich understanding of what blocks users from accepting your solutions From that you'll get techniques for dismantling their objections without becoming some kind of technocratic Machiavelli In Part I Ryan clearly defines the problem Then in Part II he presents resistance patterns there's a pattern for each type of person resisting your technology from The Uninformed to The Herd The Cynic The Burned The Time Crunched The Boss and The Irrational In Part III Ryan shares his battle-tested techniques for overcoming users' objections These build on expertise, communication, compromise, trust, publicity, and similar factors In Part IV Ryan reveals strategies that put it all together the patterns of resistance and the techniques for winning buy-in This is the art of organizational politics In the end change is a two-way street In order to get your co-workers to stretch their technical skills you'll have to stretch your soft skills This book will help you make that stretch without compromising your resistance to playing politics You can overcome resistance however illogical in a logical way

### **Pragmatic Thinking And Learning Refactor Your Wetware Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Pragmatic Thinking And Learning Refactor Your Wetware has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pragmatic Thinking And Learning Refactor Your Wetware has opened up a world of possibilities.

Downloading Pragmatic Thinking And Learning Refactor Your Wetware provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pragmatic Thinking And Learning Refactor Your Wetware has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pragmatic Thinking And Learning Refactor Your Wetware. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pragmatic Thinking And Learning Refactor Your Wetware. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Pragmatic Thinking And Learning Refactor Your Wetware, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Pragmatic Thinking And Learning Refactor Your Wetware has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
