background wrote their novels The logical consequence from this was that Muslim writing as such has become more complex stressing the standpoints of hearer and teller as elements of distortion Interesting though is the fact that some novels dealing with Islam and Muslim characters have taken up and used the Oriental stereotypes where Muslims are according to Said seen as either oil suppliers or potential terrorists For a long time Muslim characters in literature have been connected to this negative image which Said also labels as other and Spivak as subaltern The hybrid in which many Muslim characters are often set is also still equated with the exotic thus ignoring the energy of Bhabha s term and its positive realizations in fiction It is therefore one aim of this essay to throw light on this matter and to shortly reflect the present influence of 9 11 on Muslim writing [The River Killings](#) Merry Jones,2011-06-19 In this page turning sequel to THE NANNY MURDERS Zoe Hayes returns in a tale set along Philadelphia s Boathouse Row Zoe and buddy Susan Cummings take sculling lessons One evening practicing on the river Susan s oar catches on what turns out to be a woman s dress The boat flips and the two find themselves among a throng of floating bodies And in the midst of a sinister dangerous plot **The Writers Directory** ,2013
