Lukaszewski, 2016-08-02 Attracting media attention is surprisingly easy you just want it to be the right kind If an event causes the phone to ring and TV cameras to appear in your lobby you need confidence that the people who happen to be at your worksite that day are prepared That's easy if everyone executives PR managers and employees is familiar with Jim Lukaszewski's sure fire methods for handling the media James

Jim Lukaszewski America's Crisis Guru™ is one of the most visible corporate go-to people for companies when there is trouble in the room or on the horizon. The Manager's Guide to Handling the Media in a Crisis: Doing and Saying the Right Thing When it Matters Most shares with you the skills he has developed in 30 years of helping companies in crisis management, employee communications, ethics, media relations, public affairs, reputation preservation, leadership restoration, and recovery. Jim speaks annually before a wide variety of local, statewide, national, and international organizations and associations heard by thousands of each year, and in this book he is speaking directly to you. With this book as a guide, you will be able to create and deliver the message that best represents your organization. Understand what it takes to be an effective spokesperson. Make sure everyone is aware of company policies and procedures relating to the press. Be aware of the needs, deadlines, and priorities of reporters. Prepare to give good answers to all sorts of questions. Monitor social media, assess its impact. Identify the ways social media could be used to attack your company. Preserve company reputation amid a flurry of conflicting publicity. Reading this book, you will see why wherever there is or can be trouble and crisis-affected audiences and troubled leaders are waiting to learn the way out of their problems from Jim. The book is practical, easy to read, filled with real-world case studies, checklists, anecdotes, discussion questions, and easy-to-remember tips for success. *Writing Spaces 2*

Charles Lowe, Pavel Zemliansky, 2011-01-04. Volumes in WRITING SPACES READINGS ON WRITING offer multiple perspectives on a wide range of topics about writing. In each chapter, authors present their unique views, insights, and strategies for writing by addressing the undergraduate reader directly. Drawing on their own experiences, these teachers as writers invite students to join in the larger conversation about the craft of writing. Consequently, each essay functions as a standalone text that can easily complement other selected readings in writing or writing-intensive courses across the disciplines at any level. Volume 2 continues the tradition of the previous volume with topics such as the rhetorical situation, collaboration, documentation styles, weblogs, invention, writing assignment interpretation, reading critically, information literacy, ethnography, interviewing, argument, document design, and source integration.
