threats to the integrity of the 2020 American presidential election As the 2020 presidential campaign begins to take shape there is widespread distrust of the fairness and accuracy of American elections In this timely and accessible book Richard L. Hasen uses riveting stories illustrating four factors increasing the mistrust Voter suppression has escalated as a Republican tool aimed to depress turnout of likely Democratic voters fueling suspicion Pockets of incompetence in election administration often in large cities controlled by Democrats have created an opening to claims of unfairness Old fashioned and new fangled dirty tricks including foreign and domestic misinformation campaigns via social media threaten electoral integrity Inflammatory rhetoric about stolen elections supercharges distrust among hardcore partisans Taking into account how each of these threats has manifested in recent years most notably in the 2016 and 2018 elections Hasen offers concrete steps that need to be taken to restore trust in American elections before the democratic process is completely undermined

American Fascism Brynn Tannehill, 2021-04-20 Trump is out of the White House but American democracy is on the ropes and teetering on the brink of competitive authoritarianism controlled by theocrats and oligarchs With its cherished institutions hobbled political norms trampled guardrails severely damaged and body politic divided by chasms of race and geography can the U S survive another administration dedicated to establishing de facto single party rule In this compelling comprehensive analysis Brynn Tannehill draws on her expertise in studying the collapse of weak democracies around the globe and her previous research in law political science economics and right wing populism to explain the trajectory of how we got here and the current threats we face Most importantly she analyzes what the characteristics of fascism are if they are applicable to the base of the GOP today and what that means for us should they succeed in establishing permanent minoritarian rule American Fascism is a surgical analysis of 250 years of struggle for democracy in America and a prescient prognosis of what is to come if we do not heed Tannehill's warnings and advice *Global Russian Cultures* Kevin M.
