Nevada has the highest percentage of federally owned lands and one of the highest rates of urbanization in the United States, yet it has often been dominated by rural legislators. This comprehensive and insightful volume examines how Nevada's history and founding have shaped its political culture and how its government operates today. The Sagebrush State serves as a highly readable and accessible text for the study of Nevada's political history and constitution. The seventh edition is updated through 2023 and includes the results of the 2022 elections, policies advanced during the 2023 legislative session, and Nevada's continuing recovery from the impacts of the COVID-19 recession.
