## **Nobu The Cookbook:**

**Nobu** Nobuyuki Matsuhisa, 2001-07-19 With his multinational empire of restaurants Nobu has become the world's greatest sushi chef. In his first book he reveals the raw secrets of his exciting cutting edge Japanese cuisine. 180 photos. With his multinational and ever expanding empire of thirteen restaurants Nobu Matsuhisa has become one of the most talked about international restaurateurs and arguably the world's greatest sushi chef. In his first long awaited book **Nobu The Cookbook** Matsuhisa reveals the secrets of his exciting cutting edge Japanese cuisine. Nobu's culinary creations are based on the practice of **Nobu Miami** Nobuyuki Matsuhisa, Thomas Buckley, 2008-07-28 **Nobu Miami** is based in a location blessed with the best freshest seafood possible. This cookbook features a number of signature plates and focuses on party finger foods playing on the festive atmosphere of Miami and the city's particular style from beach view terrace to private yacht. It offers more than 70 recipes with full colour photographs. **Nobu Miami The Party Cookbook** is a cookbook with a fresh twist while featuring a number of signature plates it also turns its eye on party. **Nobu Now** Nobuyuki Matsuhisa, 2004 Gives an exhilarating taste of how his repertoire has developed constantly expanded by his travels and experience as well as the rich cross fertilisation with cuisines of the nations in which his empire now operates. **Nobu** Nobu Matsuhisa, 2017-11-07 In this outstanding memoir chef and restaurateur Matsuhisa shares lessons in humility, gratitude and empathy that will stick with readers long after they've finished the final chapter. Publishers Weekly starred review: A fascinating and unique memoir by the acclaimed celebrity chef and international restaurateur Nobu as he divulges both his dramatic life story and reflects on the philosophy and passion that has made him one of the world's most widely respected Japanese fusion culinary artists. Nobu needs no introduction. One of the world's most widely acclaimed restaurateurs, his influence on food and hospitality can be found at the highest levels of haute cuisine to the food trucks you frequent during the work week. This is the Nobu that the public knows. But now we are finally introduced to the private Nobu: the man who failed three times before starting the restaurant that would grow into an empire; the man who credits the love and support of his wife and children as the only thing keeping him from committing suicide when his first restaurant burned down; and the man who values the busboy who makes sure each glass is crystal clear as highly as the chef who slices the fish for Omakase perfectly. What makes Nobu special and what made him famous is the spirit of what exists on these pages. He has the traditional Japanese perspective that there is great pride to be found in every element of doing a job well, no matter how humble that job is. Furthermore, he shows us repeatedly that success is as much about perseverance in the face of adversity as it is about innate talent. Not just for serious foodies, this inspiring memoir is perfect for fans of Marie Kondo's *The Life Changing Magic of Tidying Up* and Danny Meyer's *Setting the Table*. Nobu's writing does what he does best: it marries the philosophies of East and West to create something entirely new and remarkable. **Nobu West** Nobu Matsuhisa, Mark Edwards, 2007-03 I always put something special in my food, my heart or kokoro as we say in Japanese and
