Past Present Future Wilfred S Simple Thoughts Volume 1:

Technological Transformation in the Third World: Volume 1 Surendra J. Patel, 2018-03-26 Originally published in 1993 this book contains 4 studies on Asia Bangladesh India South Korea and Sri Lanka The studies reflect 4 different patterns of technological transformation India with its large population has made considerable progress but its overall development has been slow until recently At the other extreme South Korea which had a very low per capita income in the 1950s registered a quantum leap in technological transformation within a short span of 30 years The heritage of Bangladesh's past has constrained its progress in overcoming structural weaknesses but in comparison Sri Lanka displays a very different pattern The sources used draw upon research in development economics economic history technology and studies in general and country studies in particular
