Opinion Essays express what you think or feel about an issue.

When writing an opinion essay, our **claim or main idea** would contain whether we are agreeing or disagreeing with an issue or proposing a solution to an issue. This is also what we will be using as our introduction. **Evidences** for our opinion essays which will be discussed in the body of an essay would be the reasons why we agree or disagree. Your **conclusion** could be a summary, final thought, or call to action.

You can still use the Topic, Claim, and Evidences organizer for your brainstorming but make sure to expound it as we are already writing an essay and not just a paragraph.
