As Verity falls for a charming rebel inventor and agrees to become a spy, she also becomes more and more enmeshed in the magister family's life. She soon realizes she's uniquely positioned to advance the cause but to do so she'll have to reveal her own dangerous secret.

An Irish Rebel in New Spain Andrea Martínez Baracs, 2021-11-19 An Irish Rebel in New Spain recounts the story of the so-called Irish Zorro who in 1659 was burned at the stake for conspiring against the empire to make himself king of Mexico, restore the privileges of the Indigenous people, end the persecution of the Jews, and free the African slaves. William Lamport was an Irish rebel, a soldier, a poet, and a thinker. His Catholic family lost their land and their religious freedom after the English conquest of Ireland. In 1640 Lamport emigrated to New Spain where he witnessed the abuses of the colonial system and later ran afoul of the Mexican Inquisition. Imprisoned in 1642, Lamport argued his own defense as well as that of the Jews who were in prison with him. Along with a concise biography, this volume provides an anthology of Lamport's most representative writings: his detailed project for a Spanish-supported Irish insurrection, a manifesto and plan for a Mexican uprising against Spain, his self-defense which he nailed to the doors of the cathedral when he managed to momentarily escape from prison, a selection of his poetry, and the court documents about the accusation that led him to the pyre. This concise, compelling, and original reflection on the systems of injustice in seventeenth-century Mexico is designed for classes on early modern Spain, colonial Latin America, and the Inquisition. Those with an affinity for Irish history will also enjoy learning about the colorful life of William Lamport.

[Confessions of a Rebel Angel](#) Timothy Wylie, 2012-09-28 A rebel angel's observations from her half-million years on Earth and her perspective on the spiritual journey of her human charge. Explains the hidden motivations behind Lucifer's angelic rebellion 203,000 years ago and watcher Georgia's participation in it. Explores the benevolent intentions of the Multiverse both in quarantining our planet to contain the rebellion and in now allowing our return. Describes how the coming spiritual transition will be gentle and our future positive. More than two hundred millennia ago, the high angel Lucifer launched a revolution among the angelic hierarchy which led to the quarantine of 37 planets, including our own, from the rest of the Multiverse. Now, after eons of isolation, the rebel angels are being redeemed, and we are being welcomed back into the benevolent and caring Multiverse with a massive transformation of consciousness and a reconnection to our celestial destiny. Writing through Timothy Wylie, rebel angel Georgia describes her half-a-million years stationed on Earth as a watcher. Arriving 500,000 years ago as part of the first angelic expedition to Earth sent here to prepare the indigenous inhabitants for higher consciousness, she details the archaic roots of humanity and

explains the connections between the 7 dimensions of intelligent life and the chakras as well as how beauty and creativity are vehicles for angelic inspiration Interweaving her story with parallel observations of Wyllie s youth in World War II England and his spiritual journey beginning with the Process Church Georgia explains the motivations behind Lucifer s uprising and the lasting impact it has had among the angels on Earth and on humanity s natural spiritual development Revealing that there are more than 90 million rebel angels currently incarnated on Earth almost all of whom are unaware of their previous celestial lives Georgia explains how this is their opportunity to personally redeem the past and contribute their particular talents to the world She calls on all of us especially these incarnate angels to wake up to who we truly are and embrace our spiritual heritage as earthly vessels for God s presence In this way we can prepare for the imminent transformation of global consciousness and embrace the astonishing and wondrous destiny facing our world
