Orr,2019-11-28 The book builds an original argument for the department store as a significant site of design production and therefore offers an alternative interpretation to the mainstream focus on consumption within retail history Emily M Orr presents a fresh perspective on the rise of modern urban consumer culture of which the department store was a key feature By investigating the production processes of display as well as fascinating information about display making s tools and technologies the skills of the displayman and the meaning and context of design decisions which shaped the final visual effect are revealed In addition the book identifies and isolates display as a distinct moment in the life of the commodity and understands it as an influential channel of mediation in the shopping experience The assembly and interpretation of a diverse range of previously unexplored primary resources and archives yields fascinating new evidence showing how display achieved an agency which transformed

everyday objects into commodities and made consumers out of passersby 4th International Conference on Wireless, Intelligent and Distributed Environment for Communication Isaac Woungang, Sanjay Kumar Dhurandher, 2022-02-03 This book presents the proceedings of the 4th International Conference on Wireless Intelligent and Distributed Environment for Communication WIDECOM 2021 which took place at University of KwaZulu Natal South Africa October 13 15 2021 The book addresses issues related to new dependability paradigms design and performance of dependable network computing and mobile systems as well as issues related to the security of these systems The main tracks include infrastructure architecture algorithms and protocols The goal of the conference is to provide a forum for researchers students scientists and engineers working in academia and industry to share their experiences new ideas and research results in the above mentioned areas

The Heart of Toronto Daniel Ross, 2022-04-01 From the 1950s to the 1970s downtown North America was reconfigured for the suburban age Municipal officials planned renewal schemes merchant groups lobbied for street improvements developers built bigger and taller Everywhere attention turned to the problems and possibilities at the commercial and civic heart of cities The Heart of Toronto follows one such example of reinvention downtown Yonge Street Efforts to keep pace with or even lead urban change included the street's conversion into a car free public space a clean up campaign targeting the sex industry and the construction of North America's largest urban shopping mall These revitalization projects were all connected to wider trends of postwar decentralization economic restructuring and cultural transformation Interweaving histories of development civic activism and corporate clout The Heart of Toronto widens our understanding of the actors and power dynamics involved in remaking downtown in Canada's largest city a process that is far from over
