Re: Letter to Neighbor to Clean Yard

Dear _____:

As President of the Home Owners Association, it is my responsibility to ensure that the homes in the neighborhood are in the best condition. Each home affects the property value and appearance of the entire neighborhood. It has come to my attention that your yard is in a less than presentable appearance. The guidelines of the homeowners' association manual specifically states that the yard of all homes should be neat in appearance, the grass should never get higher than 3 inches above the sidewalk, and the yard should not be over cluttered with excessive items. Your yard is in violation of the manual. I am asking that you please remove the unneeded items from your yard (tires, car parts, etc). Please cut your grass, it is at least 5 inches above the sidewalk. Thank you for your help.

Sincerely,

N A M E

The Colonization of Names Benjamin C. Brower,2025-08-19 French colonization dismantled Algerian names Under the occupation that began in 1830 not only were Algerian towns and streets renamed in honor of French figures but personal names were forced to follow French conventions and norms Colonial authorities simplified and transformed Algerian names to suit their administrative and legal purposes crudely transcribing and transliterating Arabic and Berber They imposed a two part name and surname model that stripped away the extended family ties and social context inherent to precolonial naming practices This groundbreaking history of personal names in nineteenth century Algeria sheds new light on the symbolic violence of renaming and the relationship between language and colonialism Benjamin Claude Brower traces the changes Algerians personal names suffered during the colonial era and the consequences for individuals and society France s imposition of new names he argues destabilized Algerians sense of self and place in the community distorted local identities and compromised institutions such as the family Drawing on previously unstudied records Brower examines different northwestern African
