My name is Henry. I am a hedgehog. I have sharp spines all over my back. I can curl up into a ball. I can climb trees and I can swim in the water. I like eating beetles and digging for earthworms. I use my sense of smell to find food. I sleep under rocks and in the tall grass. I have short legs and a short tail. I do not like the winter. It is too cold for me so I have to hibernate. This means that I curl up into a ball and go to sleep. After a few months I wake up and I am very hungry!
