Jacques Bonjean (doctor of laws.)

Pasteurs Nomades Et Transhumants Autochtones:

The Nationality and Statelessness of Nomadic Peoples Under International Law Heather Jean Alexander, 2025 Despite the universal right to nationality many nomadic peoples struggle to claim this fundamental status International law offers solutions to combat statelessness like birth registration but do they work for nomadic peoples The Nationality and Statelessness of Nomadic Peoples Under International Law delves into the nationality challenges faced by four communities former Bedouin in Kuwait Tuareg in Mali Fulani in Cote d'Ivoire and Sama Dilaut Bajau Laut in Malaysia Drawing on diverse sources from across disciplines as well as original field research the book traces the roots of nomadic statelessness from colonization to the present Through a rigorous legal analysis the book evaluates how effectively international law addresses these underlying issues and safeguards the right to nationality for those whose lifestyles transcend borders and conventional nation state structures Finally the book proposes reforms to international law to better address the needs of nomadic peoples regarding nationality and citizenship

Pastoralism and Socio-technological Transformations in Northern Benin

Georges Djohy, 2017 Pastoralists throughout Africa face increasing pressures In Benin governmental development policies and programmes in crop farming are changing power relations between herders and farmers to favour the latter How are the Fulani pastoralists responding to these threats to their existence Georges Djohy explores the dynamics in local use of natural resources and in inter ethnic relations resulting from development interventions He combines the approaches of science and technology studies looking at the co construction of society and technology and political ecology looking at the power relations shaping the dynamics of economic environmental and social change so as to throw light on the forces of marginalisation adaptation and innovation at work in northern Benin Having worked there for many years Djohy has been able to uncover gradual processes of socio technological change that are happening behind the scenes of agricultural development involving mechanisation herbicide use tree planting land registration and natural resource conservation He reveals how farmers are using these interventions as weapons in order to gain more rights over larger areas of land in other words to support indigenous land grabbing from herders who had been using the land since decades for grazing He documents how the Fulani are innovating to ensure their survival e.g. by using new technologies for transport and communication developing new strategies of livestock feeding and herd movement and developing complementary sources of household income The Fulani are organising themselves from local to national level to provide technological and socio cultural services manage conflicts and gain a stronger political voice e.g. to be able to achieve demarcation of corridors for moving livestock through cultivated areas They even use non functioning mini dairies another example of development intervention to demonstrate their modernity and to open up other opportunities to transform their pastoral systems This book provides insights into normally hidden technical and social dynamics that are unexpected outcomes of development interventions

transhumants constituent 100 200 millions de personnes dans le monde Ils apportent une contribution importante aux économies locales nationales et régionales Les pasteurs ont beaucoup offrir en termes de connaissances autochtones uniques de contributions économiques de diversité culturelle etc Mais pour leur permettre de développer pleinement leur potentiel il est nécessaire de corriger les idées fausses et de mettre en place de nombreux programmes et politiques de soutien **Quel avenir pour les pygmées à l'orée du XXI^e siècle ?** Patrick Kulesza, Marine Robillard, 2019-01-10 Sans aucune concession aux rieurs scientifique ce travail est un ouvrage de diffusion et un véritable manifeste politique Et notre souhait est que en effet les décideurs politiques le lisent Il est impératif que soient reconnues la diversité culturelle des Pygmées la complexité de leur histoire et des situations qu'ils affrontent pour qu'enfin ils aient droit la parole la dignité et au libre choix de leur futur c'est tout le but de cet ouvrage extrait de la préface de Serge Bahuchet Les Indiens d'Amazonie face au développement prédateur Sous la direction de Simone Dreyfus-Gamelon et de Patrick Kulesza, 2015-12-01 Peu à peu la politique d'assimilation des Indiens d'Amazonie disparaît des nouveaux textes constitutionnels qui reconnaissent la richesse procurée par la diversité des peuples qui composent les différentes nations Pourtant les droits fondamentaux des autochtones ceux qui ont trait aux territoires et leurs ressources ne sont toujours pas respectés Ce livre donne des exemples de la réalité du terrain routes barrages entreprises minières pétrole et gaz concessions forestières tout cela prime de plus en plus sur tout autre droit *Nomadic Peoples*, 2010 Bibliographie Mensuelle United Nations Library (Geneva, Switzerland), 2011-04 *Cadre de la FAO sur l'inclusion* Food and Agriculture Organization of the United Nations, Le Cadre de la FAO sur l'inclusion vise sensibiliser davantage l'importance de la mise en œuvre d'interventions d'approches et de processus inclusifs clarifier conceptuellement ce qu'implique l'inclusion dans le contexte des travaux menés par l'Organisation des Nations Unies pour l'alimentation et l'agriculture FAO et fournir des orientations pratiques sur l'intégration des aspects d'inclusion dans les domaines d'activités techniques techniques et fonctionnels ainsi que dans les Cadres de programmation par pays et le cycle de projet Ce Cadre sur l'inclusion sert d'instrument au leadership de la FAO dans son engagement politique de haut niveau et son travail de plaidoyer pour faire progresser le Programme de développement durable à l'horizon 2030 en ne laissant personne de côté **Pasteurs Peuls nomades et transhumants. Managing Mobility in African Rangelands Maryam Niamir-Fuller, 1999 This publication shows how land tenure laws, decentralization policies, institutional capacity building, common property management, conflict resolution and participatory development can be made more responsive to the needs of those practising transhumance today or pastoralists for ecologically and economically sustainable development in arid Africa The scope of the book is holistic, social, economic, political and environmental issues are discussed in each contribution The case studies focus on four key constraints to managed mobility: appropriate institutions at the local level, land use, land tenure and appropriate legislation and conflict resolution Although the case studies are from Africa the issues and conclusions are just as relevant to pastoralism and common property management in other continents Scientists, students, development experts, government officials and bilateral and multi-lateral development organizations will find new research presented in this book of relevance to their work Published in association with the UN Food and Agriculture Organization, FAO and the Beijer International Institute of Ecological Economics

Identités sahéliennes en temps de crise Amy Niang, 2019 Cet ouvrage multidisciplinaire présente une série de réflexions critiques sur les dynamiques identitaires dans un Sahel en crise Si cette dernière constitue un moment de rupture et de renouvellement des règles socioculturelles des sociétés sahéliennes elle révèle également les aspects structurants et fondateurs de l'identité comme logique de reproduction, instrument politique et enjeu international majeur Cet ouvrage montre que la pratique de l'identité produit la fois des temporalités, des contingences, des idéologies des légitimités et des imaginaires constamment réactualisés travers le conflit L'expression esthétique, le mouvement ainsi que l'invention de nouvelles formes de vie This multidisciplinary publication presents critical reflections on the dynamics of identity formation in a Sahel in crisis, a moment of sudden rupture and change that radically alters the social and cultural structures shaping the present of Sahel societies but which also reveal them to be political instruments with an international significance The contributions show how conflict, movement and aesthetics shape identity practices that produce temporal, contingent and constantly changing ideologies, legitimacies, imaginaries and new ways of life in the Sahel Dans un contexte où le Sahel est

devenu un centre d'intérêt majeur de la réflexion sur l'Afrique contemporaine cet ouvrage est bienvenu Il rouvre le débat sur les articulations et reformulations des identités sous un angle nouveau Mieux en interrogeant les expériences de la crise et les pratiques de l'identité il propose de nouvelles perspectives dans l'analyse et la théorisation du vécu des Sahéliens Dr Abdoulaye Sounaye Leibnitz Zentrum Moderner Orient En mettant des processus de figuration des identités au centre de son attention ce livre est plus que bienvenu il comble des lacunes que les études du sursaharien du Sahara Sahel laissent ouvertes Les contributions donnent la voix aux Saharo Sahéliens mêmes qui n'ont tenu jusqu'alors que les objets d'étude Ceci fait de ce livre une lecture indispensable non seulement pour les spécialistes académiques de ces régions mais aussi pour le public intéressé et last but not least pour les décideurs politiques Prof Dr Georg Klute Universität Bayreuth *L'unité de l'Empire chérifien* Jacques Bonjean (doctor of laws.), 1955 *L'œuvre agricole française en Algérie (1830-1962)* Amicale des anciens élèves des écoles d'agriculture d'Algérie, 2002-01-01T00:00:00+01:00 Cet ouvrage est une réédition numérique d'un livre paru au XXe siècle désormais indisponible dans son format d'origine *Schéma directeur de développement régional de Maradi: Dynamique régionale et problématique de développement*, 1997
