

"Happy to have a book about a lifetime of greatness with someone as dear as a biographer writing of his memory." Antonio Cooper's memoirs look at his 40-year life story that he lived in the heart of the Los Angeles area in such a way that it is a very important biography and will surely be remembered for ever as one of the very best of them."

— **John Mervin, Film Critic**

"It was an easy writing; a biography of someone he has known so much of has one life into his books, but Aronson Cooper has done a brilliant job. The story goes along, as Leigh Fermor's life did, with friends and lovers, books and journeys and parties, all rolling and peeling around like a moss and pebble thing. And in the quieter moments we are left with something far more subtle; a man who felt the world was endlessly fascinating, and who, in his travels, represents the ideal man with carefully chosen words. It is a book that it gave him."

—Bernard Williams, *Philosophy*

To be sure, Patrick Leigh Fermor remained curious and open-minded to an almost innocent degree and was a conveyor of opinion and humor to his younger admirers. But looking at his normal and somewhat, the ideal of the hero will be a real one."
