Kendra's other books I don't even know where to start because I am missing words to describe how much I loved this book. I've read a lot of gripping books but this was by far one of the most addictive. For several hours I could not focus on anything; the world disappeared and I was in Wonderland. Unlike anything you've ever read, the story kept me hooked and I couldn't stop reading. This is one of the best series I have ever read and I hope for more. The author's imagination and talent are a thing of beauty. Brilliant, Captivating, Absolutely addicting. The plot is gripping, the world is beautifully constructed, the descriptions are vivid, and the characters wonderfully well developed. Every book she writes is magic. I love everything about this story and I love this author so much I know when I get her book that it's going to be a fantastic read and she never disappoints. Kendra has the power to make you love books you don't normally read or look twice at. If you like strong, quick-witted, heroic women, sweet, sexy, dangerous Norse gods, this book is for you.
