Rhetorical Analysis of Martin Luther King Jr.'s "Letter from a Birmingham Jail"

African Americans, just like other races, wanted to secure equal political and social rights through activism and demonstrations. The wake of this movement led to the imprisonment of prominent African American personalities, including Martin Luther King Jr. Eight Alabama clergymen wrote a statement to condemn the protests, which elicited a response from King. King adopted the pathos, ethos, and logos to develop his claim that he belonged in Montgomery to lead demonstrations for change.

King incorporates pathos to appeal to the emotions of the readers and develop his claim. "We have waited for more than three hundred and forty years for our God-given and constitutional rights." (King, 79). The use of the period of waiting and the implication of deserved rights from a higher power appeals to the readers' emotions of empathy and understanding by providing a convincing statement that justifies his actions. He tries to show how long they, as a black community, have waited for something for so long that it was time to take a stand lest the oppression and racism continue for a longer period. Using the term God-given shows it is not their place, the whites, to infringe on other peoples' rights. Using pathos, he tries to elicit an emotional response of understanding and empathy from the readers.

Apart from pathos, King incorporates ethos to establish his credibility and develop his assertion. He utters, "It was seen sublimely in the refusal of Shadrach, Meshach, and Abednego to obey the laws of Nebuchadnezzar because a higher moral law was involved." (King, 81). The

Landmark Essays on Bakhtin, Rhetoric, and Writing Frank Farmer,2020-11-25 The essays in this collection give voice to the plurality of approaches that scholars in the field of rhetoric and composition have when they set forth to assimilate Bakhtin for their varied purposes The collection is arranged in three major sections The first attempts to capture the most important theoretical extensions of Bakhtin s ideas and does so with an emphasis on what Bakhtin might contribute to the present understanding of language and rhetoric The next section explores the implications of Bakhtin s work for both disciplinary identity and writing pedagogy The final section looks at how Bakhtinian thought can be used to bring new light to concerns that his work either does not address or could not have imagined addressing concerns ranging from writing across the curriculum to feminism and from computer discourse to the writing of a corporation annual report Together these essays demonstrate how fruitfully and imaginatively Bakhtin s ideas can be appropriated for a context that he could not have anticipated They also serve as an invitation to sustain the dialogue with Bakhtin in the future so that researchers may yet come to realize the fortuitous ways that Bakhtin will continue to mean more than he said *AP English Language and Composition* George Ehrenhaft,2020-08-04 Be prepared for exam day with Barron s Trusted content from AP experts Barron s AP English Language and Composition 2020 2021 includes in depth content review and online practice It s the only book you ll need to be prepared for exam day Written by Experienced Educators Learn from Barron s all content is written and reviewed by AP experts Build your understanding with comprehensive review tailored to the most recent exam Get a leg up with tips strategies and study advice for exam day it s like having a trusted tutor by your side Be Confident on Exam Day Sharpen your test taking skills with 5 full length practice tests including 1 diagnostic Strengthen your knowledge with in depth review covering all Units on the AP English Language and Composition Exam Reinforce your learning with practice questions at the end of each chapter AP English Language and Composition Premium George Ehrenhaft,2020-08-04 Be
