

Sample Request Letter For Expedited Visa Processing

Sub: Letter for Expedited Visa Processing

Respected Sir/Madam,

My name is [mention your name]. I am a resident of [mention the name of the city, country]. I am writing this letter to you in the context of my temporary residence VISA application. On [mention the date], the application was sent by me and as soon as I sent it, I received an automatic reply "your application is successfully received".

During that time, I saw that the status is "submitted" and I was happy about it, however, it has been more than [mention the time period], but it is still the same. I have been checking it from time to time to see if the status changes again, but it has not changed to review. I have applied for [mention the name of the country] and according to the rules and regulations, the processing time is [mention it] for the country.

My application is for [mention the name of the month] and I have my first semester to attend soon. To be more specific, it is going to start from [mention the date]. It is a crucial part of my life as my entire future depends on it, particularly my professional life.

I am requesting you to kindly see to this issue and help me out by expediting the VISA processing as I really don't want to miss the orientation week and my classes. If I miss it by any chance then other than achieving a bad reputation among all, I will face further issues in adjusting later.

If it becomes impossible to keep the request and more time is needed to process my VISA then kindly let me know at [mention the contact no.] or [mention the email ID], so that I can shift my course for the month of [mention it].

I will be waiting for your reply.

Regards,
