A Literary Essay About "Eleven" by Sandra Cisneros

Children are often intimidated and fall silent when in the company of adults and they use coping strategies to deal with their inner frustration. In "Eleven," the main character, Rachel, states, "...if I was one hundred and two I'd have known what to say when Mrs. Price put the red sweater on my desk." Throughout "Eleven" Rachel frequently feels intimidated by Mrs. Price. Many times she becomes silent and tries to cope with her frustration.

In the beginning of "Eleven," Rachel feels intimidated and is silenced by Mrs. Price. An example of this is when Mrs. Price says, "Of course it's yours. I remember you wearing it once (the sweater)." Because she's older and the teacher, she's right and I'm not." Rachel is frustrated when Mrs. Price demands that she put the sweater on and does not allow her to explain that it is not her sweater.

Rachel, while still silent, attempts to cope by thinking about happy thoughts. She thinks about her birthday dinner that evening. She also thinks about the birthday cake Mama is making and everyone singing happy birthday. As I read I viewed her frustration and found another place in the text when this happened. "I squeeze them (eyes) shut tight and bite down on my teeth real hard and try to remember I am eleven, eleven." This shows me that even though she is close to tears in frustration, she still tries to think about the happy family time that will happen later that day.

A few moments later, Rachel is intimidated even more when Mrs. Price says, "You put that sweater on right now and no more nonsense." Rachel is still frustrated and tries to cope when she tells Mrs. Price that it is not her sweater. Another example of this is when Mrs. Price replied loudly, "Now!" Rachel is silenced again by an adult and now she's feeling that she doesn't even want to be eleven, while fighting back tears.

As you can see from Rachel's experience, children are often intimidated and silenced when in the company of adults. In families and in school, children are silenced many times by older family members or schoolmates. As a reader I really empathized with Rachel and her struggle to communicate with Mrs. Price. Not all of us are as lucky as Rachel to have such great coping skills. I admired how she was able to control her frustration and her tears, so that she would not be further humiliated by her teacher and even more embarrassed in front of her peers. Schools and communities everywhere should reach out and teach adults that they need to be aware of the power they have, which can cause children to feel intimidated and fall silent.

Teaching and Learning Argumentative Writing in High School English Language Arts Classrooms George E. Newell, David Bloome, Alan Hirvela, 2015-06-05 Focused on the teaching and learning argumentative writing in grades 9-12, this important contribution to literacy education research and classroom practice offers a new perspective: a set of principled practices and case studies of excellent teaching. The case studies illustrate teaching and learning argumentative writing as the construction of knowledge and new understandings about experiences, ideas, and texts. Six themes key to teaching argumentative writing as a thoughtful, multi-leveled practice for deep learning and expression are presented: teaching and learning argumentative writing as social practice; teachers' epistemological beliefs about argumentative writing; variations in instructional chains; instructional conversations in support of argumentative writing; deep learning and appreciation of multiple perspectives; contextualized analysis of argumentative writing and the teaching and learning of argumentative writing; and the construction of rationalities. *Performance Standards: Middle School* (Organization), 1997

Here, teachers and school leaders will find information they need to begin adapting their practices to ensure all students master the new and challenging material the standards present. A practical lesson planning process to use with the Common Core based on Classroom Instruction That Works 2nd Ed is included, along with three sample lessons. LEARN THE ESSENTIALS OF THE COMMON CORE.
