

## BIOGRAPHICAL SKETCH

Robert A. Ockey, B.S.M.E., L.A.P.D. (retired), A.C.T.A.R., No. 95  
Accident Reconstruction Associates  
4461 Hayvenhurst Avenue  
Encino, California 91436-3299

Tel: (818) 783-1888  
Fax: (818) 783-5173  
Pager: (818) 806-7607  
e-mail: aminc@aol.com

Mr. Ockey, was born in Austin, Texas, in 1949 and has been a resident of Southern California for 48 years. He graduated with a Bachelors of Science Degree in Mechanical Engineering from California State University Northridge, C.S.U.N., in 1971, and joined the Los Angeles Police Department in 1971.

As a member of the Los Angeles Police Department Mr. Ockey had specialized training and extensive experience in on scene investigation of traffic collisions. As a member of a Bureau wide accident follow up unit, he has worked as a traffic report auditor, responsible for correcting other officers' reports and for the continual training of officers working in the field of accident investigation. He was also part of a cadre of officers assigned the task of re-writing the Traffic Manual of the Los Angeles Police Department in 1980. Mr. Ockey attended Northwestern University, Traffic Institute's, courses in Technical Accident Investigation and Accident Reconstruction, in 1983 and 1992.

Due to his Engineering background and specialized training, Mr. Ockey was selected as one of the team leaders for the Specialized Collision Investigation Detail (SCID) of the Los Angeles Police Department. This team was responsible for accident reconstruction for incidents occurring in the Valley Bureau of the L.A.P.D..

In 1986, Mr. Ockey was promoted to Detective and worked in the capacity of an Area Homicide Investigator, obtaining a unique insight into the workings of complex criminal cases. In 1989 Mr. Ockey returned to the Traffic Accident Investigation field as a Detective Supervisor, responsible for investigation of traffic related crimes ranging from simple hit and runs to Felony DUI and vehicular homicides. He has supervised the work of other officers involved in report auditing, accident investigation follow up work and accident reconstruction for three years.

Mr. Ockey has worked on the preparation of hundreds of traffic related matters for criminal prosecution. Many of these cases have involved use of accident reconstruction techniques to prove elements of the criminal conduct. Mr. Ockey has testified on approximately 65 cases in Municipal and Superior Courts in Los Angeles, Ventura, Kern and Orange Counties, where he has qualified as an expert in the fields of Traffic Accident Investigation and Accident Reconstruction. He has consulted on approximately 500 civil litigation matters since 1985.

# Sample Of Biographical Sketch From Chapter 12

**Aaron T. Beck**

### **Sample Of Biographical Sketch From Chapter 12:**

**The Oxford Handbook of Ancient Biography** Koen De Temmerman, 2020-12-10 Biography is one of the most widespread literary genres worldwide. Biographies and autobiographies of actors, politicians, Nobel Prize winners, and other famous figures have never been more prominent in book shops and publishers' catalogues. This Handbook offers a wide-ranging multi-authored survey on biography in Antiquity from its earliest representatives to Late Antiquity. It aims to be a broad introduction and a reference tool on the one hand and to move significantly beyond the state of the art on the other. To this end, it addresses conceptual questions about this sprawling genre, offers both in-depth readings of key texts and diachronic studies, and deals with the reception of ancient biography across multiple eras up to the present day. In addition, it takes a wide approach to the concept of ancient biography by examining biographical depictions in different textual and visual media: epigraphy, sculpture, architecture, and by providing outlines of biographical developments in ancient and late antique cultures other than Graeco-Roman. Highly accessible, this book aims at a broad audience ranging from specialists to newcomers in the field. Chapters provide English translations of ancient and modern terminology and citations. In addition, all individual chapters are concluded by a section containing suggestions for further reading on their specific topic.

*Ayahuasca Shamanism in the Amazon and Beyond* Beatriz Caiuby Labate, Clancy Cavnar, 2014 Beatriz Caiuby Labate and Clancy Cavnar offer an in-depth exploration of the spread of indigenous shamanic rituals of the Amazon to Western societies, looking at how indigenous mestizo and cosmopolitan cultures have engaged with and transformed these forest traditions. The authors focus on the use of ayahuasca, a psychoactive drink essential in many indigenous shamanic rituals. **The Creation**

**of Wittgenstein** Thomas H. Wallgren, 2023-02-23 Making extensive use of unique archival resources, this collection presents for the first time an in-depth study of the work and influence of Wittgenstein's original literary heirs: Rush Rhees, Elizabeth Anscombe, and Georg Henrik von Wright as editors of Wittgenstein's posthumous writings. Presenting philosophical portraits of Rhees, Anscombe, and von Wright, a team of international contributors provide a history of their collaboration and discuss how the individual philosophical views of the literary heirs shaped what we now know as the works of Wittgenstein. They consider the link between philosophically relevant aspects of their biography, their friendship with Wittgenstein, and the development of their philosophical personalities, offering us a new appreciation of the dynamics of their editorial collaboration and how each of the heirs worked individually as an editor to create Wittgenstein's philosophy. Each chapter reveals what the editors did to enrich and shape our understanding of Wittgenstein's philosophical contribution on topics such as rule-following, logical necessity, aesthetics, and the methods and aims of philosophy. This thorough critical analysis of the editorial history of Wittgenstein's works allows us to finally appreciate the profound impact the editors have had on our understanding of his philosophy, his views, and his cultural significance. **Classical Sociological Theory** George

Ritzer, Jeffrey Stepnisky, 2016-12-27 Now with SAGE Publishing and co-authored by one of the foremost authorities on

sociological theory George Ritzer and Jeffrey Stepnisky's *Classical Sociological Theory* Seventh Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories New to this Edition In Ch 1 Colonialism is now discussed as a major social force in development of modern society In Ch 2 there is an expanded discussion of the historical significance of Early Women Founders and the contributions of W E B Du Bois The chapter on Du Bois Ch 9 includes new material about his intellectual influences New contemporary commentary about Durkheim has been added to Ch 7 Ch 9 includes new material from recently translated later writings of George Simmel providing new context for his overall theory Addition of Historical Context boxes throughout text Sections on contemporary applications of classical theory have been added to each chapter

The Teaching and History of Mathematics in the United States Florian Cajori, 1890      Circular of Information of the Bureau of Education, for United States. Office of Education, 1890      Technical Writing, Presentational Skills, and Online Communication: Professional Tools and Insights Greenlaw, Raymond, 2012-03-31 This book is a collection of work to assist any professional who needs to deal with ethical issues write up a technical project give or develop a presentation or write material for an online audience Provided by publisher

*The Classical World* ,1928      **Visions of Culture** Jerry D. Moore, 2012-05-24 This classic textbook now in its fourth edition offers anthropology students a succinct clear and balanced introduction to twenty five major theorists and theoretical developments in the field

**Modern Sociological Theory** George Ritzer, Jeffrey Stepnisky, 2021-02-03 The authors are proud sponsors of the SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Modern Sociological Theory gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology's 19th century origins through the mid 20th century Written by an author team that includes one of the leading contemporary thinkers the text integrates key theories with with biographical sketches of theorists placing them in historical and intellectual context

**Fanaticism** Zachary R. Goldsmith, 2022-07-12 As the post WWII liberal democratic consensus comes under increasing assault around the globe Zachary R Goldsmith investigates a timely topic the reemergence of fanaticism His book demonstrates how the concept of fanaticism so often flippantly invoked with little forethought actually has a long history stretching back to ancient times Tracing this history through the Reformation and the Enlightenment to our present moment of political extremism run amok Goldsmith offers a novel account of fanaticism detailing its transformation from a primarily religious to a political concept around the time of the French Revolution He draws on the work of Immanuel Kant Edmund Burke and Fyodor Dostoevsky all keen observers of fanaticism and especially its political variant in order to explore this crucial moment in the development of political fanaticism Examining conceptualizations of

fanaticism from different geographical political temporal and contextual backgrounds Goldsmith reveals how the concept has changed over time and resists easy definition Nevertheless his analysis of the writings of key figures from the tradition of political thought regarding fanaticism yields a complex and nuanced understanding of the concept that allows us to productively identify and observe its most salient characteristics irrationality messianism the embrace of abstraction the desire for novelty the pursuit of perfection a lack of limits in politics the embrace of violence certainty passion and its perennial attraction to intellectuals Goldsmith's political philosophical history of fanaticism offers us an argument and warning against fanaticism itself demonstrating that fanaticism is antidemocratic illiberal antipolitical and never necessary

The Publishers Weekly, 1910, Resources for the Study of Real Analysis Robert L. Brabenec, 2004 A collection of materials gathered by the author while teaching real analysis over a period of years Cognitive Therapy of Depression Aaron T. Beck, 1979-01-01 This bestselling classic work offers a definitive presentation of the theory and practice of cognitive therapy for depression Aaron T Beck and his associates set forth their seminal argument that depression arises from a cognitive triad of errors and from the idiosyncratic way that one infers recollects and generalizes From the initial interview to termination many helpful case examples demonstrate how cognitive behavioral interventions can loosen the grip of depressogenic thoughts and assumptions Guidance is provided for working with individuals and groups to address the full range of problems that patients face including suicidal ideation and possible relapse Architecture Henry-Russell Hitchcock, 1987-01-01 This book examines a period which is far more than a prelude to the age of steel and concrete The first half century culminated in the bold iron and glass of the Crystal Palace There follows the creation of the modern styles of the era based on traditions of the past and finally in the 20th century Art Nouveau and the modern architects in their generations Perret Wright Gropius Corbusier Mies van der Rohe and others in many parts of the world **Computer Science Illuminated** Nell Dale, John Lewis, 2019-01-17 Fully revised a Designed for the introductory computing and computer science course the student friendly Computer Science Illuminated Seventh Edition provides students with a solid foundation for further study and offers non majors a complete introduction to computing Fully revised and updated the Seventh Edition of this best selling text retains the accessibility and in depth coverage of previous editions while incorporating all new material on cutting edge issues in computer science Authored by the award winning team Nell Dale and John nd updated the Seventh Edition of the best selling text Computer Science Illuminated retains the accessibility and in depth coverage of previous editions while incorporating all new material on cutting edge issues in computer science Authored by the award winning Nell Dale and John Lewis Computer Science Illuminated's unique and innovative layered approach moves through the levels of computing from an organized language neutral perspective **Instruction in the Use of Books and Libraries** Lucy Ella Fay, Anne Thaxter Eaton, 1915 *Biography of a Book: Henry Lawson's While the Billy Boils* Paul Eggert, 2013 Biography of a Book traces the life of an iconic Australian literary work in the lead up to and for a century after its initial publication Henry

Lawson's 1896 collection *While the Billy Boils* Paul Eggert follows Lawson's gradual development of a pared back bush realism in the early 1890s as he struggled to forge a career writing short stories and sketches for the newspapers Lawson's famous collection came out at a decisive moment for the development of a fully professional Australian literary publishing industry then in its infancy in Sydney The volume's editing design and production were collaborative events that changed the feel and nature of Lawson's writing He had to give ground on his texts and their sequencing The collection went on to be reprinted and repackaged countless times Its production and reception histories act like a geological cross section revealing the contours of successive cultural formations in Australia In unravelling the life of Lawson's classic work Eggert's book historical approach challenges and clarifies established understandings of crucial moments in Australian literary history and of Lawson himself

The Indian Frontier 1846-1890 Robert M. Utley, 2003-10-30 First published in 1984 Robert Utley's *The Indian Frontier of the American West 1846-1890* is considered a classic for both students and scholars For this revision Utley includes scholarship and research that has become available in recent years What they said about the first edition *The Indian Frontier of the American West 1846-1890* provides an excellent synthesis of Indian white relations in the trans Mississippi West during the last half century of the frontier period *Journal of American History* *The Indian Frontier of the American West* combines good writing solid research and penetrating interpretations The result is a fresh and welcome study that departs from the soldier chases Indian approach that is all too typical of other books on the topic *Minnesota History* Robert M Utley has carefully eschewed sensationalism and glib oversimplification in favor of critical appraisal and his firm command of some of the best published research of others provides a solid foundation for his basic argument that Indian hostility in the half century following the Mexican War was directed less at the white man per se than at the hated reservation system itself
