Didactics of Microlearning Theo Hug, 2007 This book is a comprehensive and articulate introduction to the emerging field of microlearning In public institutions in small and medium sized enterprises and in informal contexts we are all dealing with increasingly complex learning requirements more fragmented knowledge demands for greater cultural flexibility and rapid technological change As a result new approaches are required focusing on microcontent medial fluency and spaces of learning

Girl Wide Web 2.0 Sharon R. Mazzarella, 2010 From social networking sites to game design from blogs to game play and from fan fiction to commercial web sites Girl Wide Web 2.0

offers a complex portrait of millennial girls online Grounded in an understanding of the ongoing evolution in computer and internet technology and in the ways in which girls themselves use that technology the book privileges studies of girls as active producers of computer Internet content and incorporates an international intercultural perspective so as to extend our understanding of girls the Internet and the negotiation of identity *The Parent App* Lynn Schofield Clark,2013 New technologies offer new ways for families to connect access ideas and entertainment and manage the risks faced by children and teens but they also bring more responsibilities choices and challenges Clark argues that families experience digital and mobile technologies in their children s lives especially during the preteen and teen years quite differently depending on whether they are middle class or less advantaged Based on over ten years of interviews hundres of parents and children The Parent App explores these differences and provides the kind of guidance backed by thorough research that parents today desperately need **Media and the Well-being of Children and Adolescents** Amy Beth Jordan,Daniel Romer,2014

Media and the Well Being of Children and Adolescents presents cutting edge research from the field s leading scholars It considers both traditional media as well as new media such as the Internet offering a balanced view of the challenges and opportunities media pose for young people s healthy development **TASKs for democracy** Pascale

Mompoin-Gaillard,Ildikó Lázár,2017-12-01 60 activities to learn and assess transversal attitudes skills and knowledge **TASKs for democracy** is a handbook of 60 activities developed within the Council of Europe Pestalozzi Programme Community of Practice for practitioners in formal and non formal educational settings to learn and assess the attitudes skills values and knowledge needed to support democratic culture Democratic culture is more than institutions laws and procedures While essential elements of democracy they do not in themselves make societies democratic they only work when rooted in what we call democratic culture or a culture of democracy the set of attitudes and behaviours required to make democratic institutions and democratic laws function in practice Competences for democratic culture are therefore essential for building the kind of society in which we would like to live This 2nd edition of **TASKs for democracy** supports the Reference Framework of Competences for Democratic Culture endorsed by the Council of Europe Standing Conference of Ministers of Education in April 2016 This publication aims to help build European societies characterised by a culture of democracy and human rights This is a formidable task and it can only be achieved if European teachers and trainers rise to the challenge with competence and enthusiasm The collection of learning and re learning activities will support them to promote the development of competences for a democratic culture in their day to day educational practice **Formal and Informal Approaches to**

Food Policy William Aspray,George Royer,Melissa G. Ocepek,2014-04-17 Formal approaches are those taken by government bodies through laws court decisions and actions of government regulatory bodies Informal approaches are those taken by individuals non profit organizations industries working at self regulation etc Because the formal means are tied to a particular legal system this kind of approach is nation specific and the book focuses on the United States But many of the

things the authors have to say about US food policy and the interactions between formal and informal approaches would also be of interest to policymakers and food industry professionals in other countries Coverage includes the regulation of food advertising on children s television and the internet regulation of school lunch programs and the influence of Eleanor Roosevelt and Michelle Obama

Children at Play Howard P. Chudacoff,2008-09 Introduction Play Childhood and play in colonial America Domesticating children 1800 1850 The arrival of toys 1850 1900 The invasion of children s play culture 1900 1950 The golden age 1900 1950 The commercialization of children s play 1950 to the present Children s play goes underground 1950 to the present Conclusion

Children and the Internet Sonia Livingstone,2013-05-06 Is the internet really transforming children and young people s lives Is the so called digital generation genuinely benefiting from exciting new opportunities And worryingly facing new risks This major new book by a leading researcher addresses these pressing questions It deliberately avoids a techno celebratory approach and instead interprets children s everyday practices of internet use in relation to the complex and changing historical and cultural conditions of childhood in late modernity Uniquely Children and the Internet reveals the complex dynamic between online opportunities and online risks exploring this in relation to much debated issues such as Digital in exclusion Learning and literacy Peer networking and privacy Civic participation Risk and harm Drawing on current theories of identity development education and participation this book includes a refreshingly critical account of the challenging realities undermining the great expectations held out for the internet from governments teachers parents and children themselves It concludes with a forward looking framework for policy and regulation designed to advance children s rights to expression connection and play online as well as offline
