Holly Rouillard Johnson,2021-02-10 Holly Rouillard Johnson s path to make feeling good a priority manifested in her childhood and high school years She discovered running which led her on a twenty seven time marathon journey starting at age thirty four She credits her accomplishments in racing and life to her feel good mentality including a proven formula on sustaining a feel good state for as long as possible both along marathon courses and life s paths Throughout the years her commitment to feeling good led her to coaching and helping others adapt more positive mindsets and helping her heal and overcome injuries and balance the demands of professional and running careers along with family and other interests It also fueled her courage to deal with adversity as an athlete and in life This feel good commitment enables her to embrace every setback as an opportunity to learn grow and evolve principles and practices she shares in How to Make Feeling Good Your Priority Shifting the law of attraction in a positive direction Johnson gives practical advice guiding you in making the right choices and shifting how you approach your day by thinking and focusing on what will make you feel good and happy Johnson insists you can choose how you want to feel around your kids your spouse at work at the gym on a run or simply how you approach each day When you feel good the world seems like a better place The Supernatural Age David Alan Smith,2020-12-15 Demons Demonic activity What would our world be like if the floodgates were opened What would happen if the hand that kept these evil entities at bay was removed And whose hand would that be This is the Supernatural Age It is more than a cautionary tale it is a prophecy plucked from the pages of the Bible or at least a plausible interpretation of what could possibly be And what exactly makes Biblical Prophecy so mysterious worth anyone s time Simple eerily a quarter of the Bible is documented prophecy and approximately 75% of these prophecies have already been fulfilled to the tee Bible prophecy is batting a thousand it has a perfect record If a psychic laid out over 2000 predictions and every single one of them came true to the letter if it wouldn t be enough to make one trust the psychic it d at least make one take a second look Why not the Bible Besides a rapture believing church is long overdue for a fresh new perspective on what they believe This time however the message to these Christians is BEWARE It is a warning a just in case scenario they need to seriously consider when it comes to their rapture It is a just in case scenario when it comes to the Tribulation the Prophet and the Antichrist Although The Supernatural Age is written with love and concern for Christians and non Christians alike it is far from a fluffy feel good novel of things and things to come It is a haunting and ominous tale by all accounts but not without a light at the end of the tunnel This is a supernatural thriller full of suspense unexpected twists turns and surprises It is an imaginative and daring version of the Bible s foretelling of the last days It is as much written to shock and entertain the reader as it is to inform and educate It is thought provoking It is peppered with horrors danger suspicion intrigue deception paranormal phenomena and demon possession Despite it being fiction merely a story it can be most provocative even controversial if one allows it Yet even with all the precarious settings situations and global devastation it manages to squeeze in the beauty of

faith romance love honor and trust as well as the Gospel of Jesus Christ Thus it truly and fully lands in the Christian genre as it is intended to be In addition the Supernatural Age is a timely novel Not only is it perfect and apropos for the times pertaining to what is currently trending in the political arena worldwide it is suitable for a myriad of audiences Younger older rich and poor religious spiritual Atheists and Agnostics all genders all walks of life regardless of race sexual orientation political affiliation culture or creed the Supernatural Age is a novel for all people Take notice be informed be warned and be aware Whether the Supernatural Age is read like a movie or read as a reference whether it falls into the realm of pure entertainment or a foreboding warning either way it is a novel worth considering Hopefully it is a novel well received a novel worthy of finding an intimate place in the heart of one s library Bottom line the ultimate battle between good and evil is looming The question is are you ready Legacies, Lies and Lullabies Esther Levy,2013-06-20 Legacies Lies and Lullabies The World of a Second Generation Holocaust Survivor is a smorgasbord of history memoirs interviews poems recipes and cultural tidbits It explores the rise of Hitler the perils of life in Terezin the soap opera of Eastern European relatives and the invisible baggage of the second generation A riveting must read for anyone who hungers for a slice of humanity

The Rose Field Sansita Pradeep,2025-04-19 Love hate friendship and heartbreak are all facts of life best concealed in metaphors If I pluck out each rose from the field they will all have a story to tell The field is in my imagination but the roses are as real as the sun Why would you ever live in reality when you can escape to a beach with gloomy skies a vast rose field and a thriving forest Poetry is escapism Poetry is cathartic

Slings and Arrows Stan Erisman,2021-03-31 Readers would perhaps be justified in thinking that Slings and Arrows the fourth book in the Hindsight series should be given a warning text regarding its emotionally wrenching content This is that warning Having overcome the many obstacles to settling down in Sweden Stan and Jeanette achieve at least temporarily the free and simple life they'd been seeking Stan enters the most intensive and productive period in his painting by far with Jeanette's strong moral support and urging But once again external circumstances threaten their equilibrium Stan's dad dies suddenly and Stan's draft orders are cancelled almost simultaneously their first trip back to the US a year later confirms their conviction that Sweden is their new home just months later Jeanette's dad's death and horrifying funeral confirm their rejection of religion but seem to launch Jeanette's growing obsession with death and they are forced to find new living quarters An exciting project to turn a derelict building into a home with great potential consumes most of their time and resources for two years during which Stan has no time to paint and Jeanette's condition worsens perceptibly only through hindsight With the end of the enormous restoration project in sight Jeanette's unforeseen suicide destroys every trace of Stan's hope and meaning

A Primer of Handling the Negative Therapeutic Reaction Jeffrey Seinfeld,2002 In a negative therapeutic reaction the progress of treatment triggers a particular destructive dynamic in the patient Initially therapists considered it to be a result of the patient's pathology but contemporary clinicians recognize that the therapist may significantly contribute to this process Object relations clinicians see the individual as a social being that develops in relation to others whom the individual internalizes as good and bad objects Jeffrey Seinfeld explores how an internal sabotaging self is identified with a rejecting object This self is a reservoir of memories of how original caregivers rejected the child's needs

and the patient now expects the world to reject and disappoint her If patients experience the therapist as a kind or caring person they may feel that they are being lured into dependency and subsequent disappointment Paradoxically if patients feel attached to the therapist this same attachment is experienced as a threatening dependency that must be destroyed A relationship that could eventually strengthen the personality is rejected and instead a negative reaction to the therapist and the therapeutic process is established Jeffrey Seinfeld shows that in order for patients to heal they must separate from the internal bad objects This is often done with aggression against the therapist who must be able to withstand the intense hostility rage and abuse of the patient Only by surviving this aggression in the negative therapeutic reaction can the therapist allow the patient to integrate good and bad part objects in the transference The therapist can eventually serve as a bridge in the integration of the divided good and bad selves and objects Through case histories Seinfeld illustrates his way of entering into the patient's internal world By helping patients understand the transference of their internal objects they begin to understand their own experience of self and others which leads to character change
