

But all the people on the Earth were doing badly,  
so God decided to send a Flood that would wipe out evil.

However, there was one good man on Earth.  
His name was Noah, and God trusted him.

God decided that He would save Noah  
by telling him that the Flood was coming.  
Then God told Noah to build a really big boat, called an ark.

After Noah had built the ark, God told him to put two of every  
animal on the Earth in it, both male and female.

No family, and the animals came all safely on the ark,  
just as God had told Noah to do.

God told Noah to close the door of the ark  
and not to go out, because the Flood was coming.  
Noah and his family, and the animals, were safe in the ark.

The sun came out, the waters started to dry up,  
and the land began to come out again.  
Noah sent out a dove to find dry land, but it came straight back.

Curran, 2024-06-21 When Angelina Grimk pleads with her brother Henry not to punish a household slave she does not anticipate her stony road ahead as a remarkably effective abolitionist speaker Leaving behind their illustrious slave holding family she and her sister Sarah take their northern audiences by storm Yet the very fact of their speaking in public as women doubles the opposition they

face and leads them to become among the earliest American voices for women's rights. As they and their fellow abolitionists experience violent riots and the burning of their lecture hall, they wonder if their efforts have been in vain. Romance and marriage lead them to a less public life, but in the aftermath of Emancipation and the Civil War, a formidable challenge awaits them in the discovery of their unknown nephews. After their father's death and prior to the war, these promising nephews, children of Henry and his slave mistress Nancy Weston, are enslaved by their half brother. Mistreated, abused, and beaten nearly to death, they eventually escape and find their way north seeking a full education. But will their eventual encounter with their abolitionist aunts redeem the suffering they and their mother experienced at the hands of their southern family?
