

### Phase - I: OBJECTIVE TYPE TEST (ONLINE EXAMINATION)

The time for the test is 130 minutes; however you may have to be at the venue for approximately 180 minutes including the time required for logging in, collection of the Admission letters, giving of instructions etc. The tests will be provided in English and Hindi. You can attempt any question from 1 to 200 at any point of time within these 130 minutes. All the questions will have multiple choices. Out of the five answers to a question only one will be the correct answer. You have to select the most appropriate answer and 'mouse click' that alternative which you feel is appropriate/ correct. The alternative/option that you have clicked on will be highlighted and will be treated as your answer to that question. There will be penalty for wrong answers marked by you. For every wrong answer marked by you, 1/4th of the marks assigned to that question will be deducted as penalty.

Please note that the types of questions in this handout are only illustrative and not exhaustive. In the actual examination you will find questions of a higher difficulty level on some or all of these types and also questions on the types not mentioned here.

Some sample questions are given below.
