story is based on the plight of thousands of young women from all over the world who have been lured and fallen prey to slavery and the horrific practice of Female Genital Mutilation FGM Counsels of the wise king; or, Proverbs of **Solomon applied to daily life** Christopher Ridley Pearson, 1881 Passion's Triumph over Reason Christopher Tilmouth, 2010-11-11 Passion's Triumph over Reason presents a comprehensive survey of ideas of emotion appetite and self control in English literature and moral thought of the sixteenth and seventeenth centuries In a narrative which draws on tragedy epic poetry and moral philosophy Christopher Tilmouth explores how Renaissance writers transformed their understanding of the passions re evaluating emotion so as to make it an important constituent of ethical life rather than the enemy within which allegory had traditionally cast it as being This interdisciplinary study departs from current emphases in intellectual history arguing that literature should be explored alongside the moral rather than political thought of its time The book also develops a new approach to understanding the relationship between literature and philosophy Consciously or not moral thinkers tend to ground their philosophising in certain images of human nature Their work is premissed on imagined models of the mind and presumed estimates of man's moral potential. In other words the thinking of philosophical authors as much as that of literary ones is shaped by the pre rational assumptions of the moral imagination Because that is so poets and dramatists in their turn in speaking to this material typically do more than just versify the abstract ideas of ethics They reflect directly and critically upon those same core assumptions which are integral to the writings of their philosophical counterparts Authors examined here include Aristotle Augustine Hobbes and an array of lyric poets but there are new readings too of The Faerie Queene and Paradise Lost Hamlet and Julius Caesar Dryden's Lucretius and Etherege's Man of Mode Tilmouth's study concludes with a revisionist interpretation of the works of the Earl of Rochester presenting this libertine poet as a challenging intellectually serious figure Written in a lucid accessible style this book will appeal to a wide range of readers Summa Theologiae: Volume 44, Well-Tempered Passion Thomas Gilby, 2006-10-26 Paperback reissue of one volume of the English Dominicans Latin English edition of Thomas Aguinas Summa Theologiae The Southern **Passion** Beatrice Daw Brown.1927 **The Sourthern Passion** Beatrice Daw Brown, Ph. D., 1927 Passion, Vitality, and Foment Lamontte M. Luker, 2001-01-01 A collection of essays showing that the postexilic period was an age of robust religious vitality that gave birth to Rabbinic Judaism and early Christianity focuses on the range of religious advances in this time period from the Sabbath and the synagogue to the vitality of feminine spirituality wisdom traditions and apolcalyptic visions all of which demonstrate the richness of Second Temple Judaism Original **Heroism and Passion in Literature** Graham Gargett, 2004 This volume prompted by the publication in 1999 of Moya Longstaffe's remarkable study Metamorphoses of Passion and the Heroic in French Literature Corneille Stendhal Claudel further investigates and analyses the multiple appearances of Passion and Heroism in literature It pursues the exploration of these themes in a variety of cultures English French German Spanish genres and critical approaches In addition the chronological span represented is

extremely wide Contributions range from La Fontaine Moli re and Voltaire to Rimbaud and Camus from Baudelaire to Beckett from Wagner to Goytisolo This very diversity gives necessary context providing scope for reflection and analysis Although passion seems timeless can heroism have any real meaning apart from an individual and existential one in our postmodern age Has a notion at the centre of European culture for so many centuries really disappeared from our intellectual and cultural universe This volume will be of interest to all students of literature whatever their critical or linguistic allegiance since it focuses on the varying manifestations of two vital ingredients of all societies and cultures

The Passion of Jesus in the Gospel of Matthew Donald Senior, 1990 The Word of the cross is a living word crying out for reinterpretation as life takes new shape and expression Reinterpreting the Gospel was particularly compelling for Matthew s church because his Christians lived in a time of profound transition The Passion of Jesus then was not simply a story of suffering out of the past but a point of identification for the Christians of Matthew's own time For us twentieth century Christians who also know the peculiar suffering and hope of living in an age that is both dying and being born the Passion of Jesus according to Matthew has special meaning Passion, Persecution, and Epiphany in Early Jewish Literature Nicholas Peter Legh Allen, Pierre J. Jordaan, József Zsengellér, 2020-04-08 This volume examines Jewish literature produced from c 700 B C E to c 200 C E from a socio theological perspective In this context it offers a scholarly attempt to understand how the ancient Jewish psyche dealt with times of extreme turmoil and how Jewish theology altered to meet the challenges experienced The volume explores various early Jewish literature including both the canonical and apocryphal scripture Here reference is often made to a divine epiphany a moment of unexpected and prodigious revelation or insight as a response to abuse suffering and passion Many of the chapters deal with these issues in relation to the Antiochan crisis of 169 to 164 B C E in Judea one of the more notable periods of oppression This watershed event appears to have served as a catalyst for the new apocalyptic texts which were produced up until c 200 C E and which reflect a new theological dynamic in Judaism one that informed subsequent Christianity and Rabbinic Judaism Passion Persecution and Epiphany in Early Jewish Literature will be of interest to anyone working on the Bible both Masoretic and LXX and early Jewish literature as well as students of Jewish history and the Levant in the classical period Passion of Christ, Passion of the World Leonardo Boff, 1993
